

INTEGRATIONS DONE RIGHT

- **Data mapping to eliminate duplicate entry and increase accuracy**
- **Real-time status updates**
- **Mobile-optimization to enhance candidates' experience**

Recruiting top talent is critical for the success of any organization

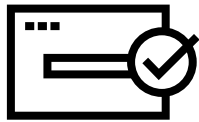

Integrating HireRight employment background screening with SmartRecruiters allows you to hire quality employees more quickly, saves your organization time and money, and improves both the candidate and recruiter experiences.

The SmartRecruiters-HireRight integration simplifies recruiting and background screening requirements into a seamless real-time integrated solution that is easy to use and deploy. Through the integration, ordering quality background checks or drug tests is just a few clicks away, and once the order is submitted, results can begin appearing seamlessly without ever leaving the SmartRecruiters system. Additionally, with real-time updates, organizations are able to view results from each individual search as they are completed.

Future solution enhancements ensure maximum long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

Through the partnership and integration solution, HireRight and SmartRecruiters are assisting mutual customers to more effectively leverage their investment in recruiting and background screening solutions for truly optimized performance.

Integration Advantages:

Streamlined ordering

Single sign on

Data prepopulation

Reduces duplicate entry
improving efficiency

Change tracker

Alerts recruiter to changes made
in the background check process

Mobile optimized

Candidates can complete background
check using their preferred device

Status updates

Ensure a timely and
transparent process

Integration support and automatic updates

About HireRight

HireRight is a leading global provider of technology-driven workforce risk management and compliance solutions. We provide comprehensive background screening, verification, identification, monitoring, and drug and health screening services for approximately 38,000 customers across the globe. We offer our services via a unified global software and data platform that tightly integrates into our customers' human capital management systems enabling highly effective and efficient workflows for workforce hiring, onboarding, and monitoring. In 2022, we screened over 24 million job applicants, employees and contractors for our customers and processed over 107 million screens. For more information, visit www.HireRight.com.
