

# INTEGRATIONS DONE RIGHT

- **Data mapping to eliminate duplicate entry and increase accuracy**
- **Real-time status updates**
- **Mobile-optimisation to enhance candidates' experience**

## Recruiting top talent is critical for the success of any organisation

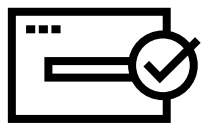

Integrating HireRight employment background screening with SmartRecruiters allows you to hire quality employees more quickly, saves your organisation time and money, and improves both the candidate and recruiter experiences.

The SmartRecruiters-HireRight integration simplifies recruiting and background screening requirements into a seamless real-time integrated solution that is easy to use and deploy. Through the integration, ordering quality background checks is just a few clicks away, and once the order is submitted, results can begin appearing seamlessly without ever leaving the SmartRecruiters system. Additionally, with real-time updates, organisations are able to view results from each individual search as they are completed.

Future solution enhancements ensure maximum long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

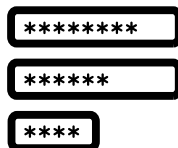

Through the partnership and integration solution, HireRight and SmartRecruiters are assisting mutual customers to more effectively leverage their investment in recruiting and background screening solutions for truly optimised performance.
