Recruiting top talent is critical for the success of any organization

For over 30 years, HireRight has been a leading global provider of employment background screening solutions, helping customers to mitigate employee risk and make informed hiring decisions.

Avature and HireRight have partnered together to create a comprehensive solution that enables organizations to order HireRight background screening and drug testing services from within the Avature platform. The partnership consolidates critical recruiting and background screening requirements to create a single interface solution that leverages data pre-population and eliminates duplicate data entry.

The integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements ensure maximum long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

Through our partnership and integration solution, HireRight and Avature are assisting mutual customers to more effectively leverage their investment in recruiting and background screening solutions for truly optimized performance.
