HIRE RIGHT®

INTEGRATIONS DONE RIGHT

- **Productized integration**
- **Real-time order and screening status**
- **Configurable account and notification setup**

Recruiting top talent is critical for the success of any organization

HireRight and Workday have built an integrated solution to consolidate critical recruiting and background screening requirements into one solution to deliver convenience, control, faster results, and better quality of hires.
Through a single interface, recruiters can order HireRight background checks and/or drug tests for domestic or international locations with just a few simple clicks within Workday Recruiting. Candidate information transfers from Workday Recruiting to the background check form reducing duplicate data entry, administration and time. Once the order is submitted, background check results begin appearing in real time for the recruiter to view.

Our integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements ensure maximum long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

Through our partnership and integration, HireRight and Workday are assisting mutual customers to achieve a recruiting and background screening solution with truly optimized performance.
