# HireRight Integrated with Oracle Recruiting Cloud (Talent Management)

## Oracle Talent Management  |  Background Check

For more than 20 years, HireRight and Oracle have partnered to help organizations accelerate their hiring process and make more informed compliance and employment-related decisions. Together, we have guided organizations worldwide to simplify the background screening process and ensure our clients have the information they need to make informed hiring decisions.

As a member of the Oracle Partner Network (OPN), HireRight offers comprehensive background screening and drug testing services integrated with Oracle Recruiting. Hiring managers can order customized background checks for candidates in Oracle Recruiting and track and receive updates in real-time throughout the background screening process. Candidate information provided through Oracle Recruiting automatically pre-populates the HireRight background check form, reduces redundant data entry, improves the background request's accuracy, and drives administrative efficiency.

The HireRight integration with Oracle Recruiting reinforces HireRight's commitment to the customer and the candidate experience, with easy implementation and mobile-friendly platforms.

Additional available integration features include:

- A maintenance-free way to assign screening packages to requisitions
- Access to HireRight Change Tracker and detailed, real-time status updates
- Electronic candidate disclosures and authorization, as well as e-signature capabilities
- Automatic feed of verified candidate personally identifiable information back from HireRight to Oracle

As global leaders in background screening and Talent Management services, HireRight & Oracle have the experience and expertise to protect your brand and empower your organization to make faster, safer hiring decisions.
