

A photograph of a man and a woman in an office setting, both smiling and looking at a tablet held by the woman. The man is pointing at the screen. The background is slightly blurred, showing other office workers.

INTEGRATIONS DONE RIGHT

- **Productized integration**
- **Real-time order and screening status**
- **Configurable account and notification setup**

Recruiting top talent is critical for the success of any organization

Integrating HireRight employment background screening with Click Boarding allows you to hire quality employees more quickly, saves your organization time and money, and improves both the candidate and recruiter experiences.

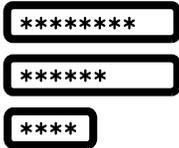

Highly configurable packages allow users to order any of HireRight's 200+ global services including background checks, drug testing and receive real-time results, all from within Click Boarding. Candidate information from Click Boarding will pre-populate the HireRight background check form, reducing duplicate data entry, administration and time.

The integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements ensure maximum long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

Through our partnership and integration solution, HireRight and Click Boarding are assisting mutual customers to more effectively leverage their investment in recruiting and background screening solutions for truly optimized performance.

Integration Advantages:

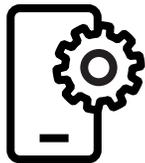

Data prepopulation

Reduces duplicate entry
improving efficiency

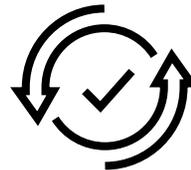

Change tracker

Alerts recruiter to changes made
in the background check process

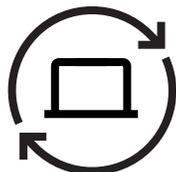

Mobile optimized

Candidates can complete background
check using their preferred device

Status updates

Ensure a timely and
transparent process

Integration support and automatic updates
