

# INTEGRATIONS DONE RIGHT

- **Productized integration**
- **Real-time order and screening status**
- **Configurable account and notification setup**

## Recruiting top talent is critical for the success of any organisation

Integrating HireRight employment background screening with Infinite BrassRing allows you to hire quality employees more quickly, saving your organisation time and money, and improves both the candidate and recruiter experiences.

HireRight is integrated with the Infinite BrassRing on the Cloud talent acquisition solution. With our integration, users can easily order HireRight background screening services from within the Infinite BrassRing Platform. This streamlined safe hiring solution enables process efficiency for recruiting.

Our integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements ensure maximum long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation. Through our partnership and integration, HireRight and Infinite BrassRing are assisting mutual customers to achieve a recruiting and background screening solution with optimised performance.

## Integration Advantages:

### Streamlined ordering

Single sign-on

### Data pre-population

Reduces duplicate entry  
improving efficiency

### Change tracker

Alerts recruiter to changes made  
in the background check process

### Mobile optimised

Candidates can complete background  
check using their preferred device

### Status updates

Ensure a timely and  
transparent process

### Integration support and automatic updates
