

# HireRight + JobDiva

## Empowering Employers With Innovative Solutions For Smart Hiring Decisions

Integrating HireRight's employment screening with JobDiva's Applicant Tracking System can help you to hire and place quality candidates more quickly, save your organization time and money, and improve both the candidate and recruiter experiences.

HireRight is a leading global provider of technology-driven workforce risk management and compliance solutions, providing comprehensive background screening, verification, identification, monitoring, and drug and health screening services for more than 38,000 customers across the globe.

JobDiva's award winning Applicant Tracking System helps thousands of recruiters maximize their business potential by helping to streamline several core recruitment processes so recruiters can spend their energy on making the best placements, rather than being bogged down in tedious, tiresome activities.

Through our partnership and integrated solution, HireRight and JobDiva are assisting mutual customers to leverage their investment more effectively in recruiting and background screening solutions for truly optimized performance.

## Screening Solutions Can Help You:

- **Onboard a better quality of hire**
- **Facilitate your compliance**
- **Promote a safer workplace environment and protect your employment brand**

HireRight allows you to customize a package of screening services based on best practices and your organization's requirements to help you meet your budget, organizational and regulatory compliance requirements, and level of risk tolerance.

- ✓ National Practitioner Data Bank (NPDB) Check

## Benefits of integrating JobDiva with HireRight

HireRight's pre-developed integration to JobDiva's Applicant Tracking System can help your organization further enhance the capabilities of your JobDiva application.

- **Accelerate Your Results – Companies that move fast win the talent race.** Through a bi-directional integration, that is easy to enable with no middleware or development required, recruiters can initiate and receive real time status updates on employment background checks and drug tests directly within JobDiva, giving them the visibility needed to efficiently move candidates through the hiring process.
- **Improve Your Candidate Experience – A modern, digital candidate experience reflects well on your employer brand.** The mobile optimized candidate process provides candidates a text message or email invite to complete their forms and allows them to use their mobile device to upload any necessary supporting documents. Pre-mapped data fields help to reduce duplicate data entry, reduce errors, and provide a more efficient process easier for candidates.
