## Benefits of integrating Dynamics ATS with HireRight

HireRight's pre-developed integration to Dynamics ATS can help your organization further enhance the capabilities of your Microsoft Dynamics 365 solution.

- **Accelerate Your Results** – Companies that move fast win the talent race. Through a bi-directional integration, that is easy to enable with no middleware or development required, recruiters can initiate and receive real time status updates on employment background and drug testing checks directly within Dynamics ATS giving them the visibility needed to efficiently move candidates through the hiring process.
- **Improve Your Candidate Experience** – A modern, digital candidate experience reflects well on your employer brand. The mobile optimized candidate process provides candidates a text message or email invite to complete their forms and use their mobile device to upload any necessary supporting documents. Pre-mapped data fields help to reduce duplicate data entry, reduces errors, and provides a more efficient process easier for candidates.
