- Configurable account and notification setup

As a global leader in background and drug screening services with over 37,000 customers HireRight has the experience and expertise to help protect your brand and empower your organization to make faster, safer hiring decisions.

### Key Benefits

- ✓ Data with integrity
- ✓ Fast turnaround times
- ✓ Global coverage delivered locally
- ✓ Experience on which you can rely

For more than 20 years, HireRight and Oracle have partnered to help organizations accelerate their hiring process and make more informed compliance and employment-related decisions. Together, we have guided organizations worldwide to simplify the background screening process and ensure our clients have the information they need to make informed hiring decisions.

HireRight's Integrated solution with Oracle Taleo Enterprise Edition, allows hiring managers and recruiters the ability to order customer background checks, drug screening for candidates within Oracle as well as track and receive updates in real-time throughout the background screening process. Candidate information provided through the Oracle platform automatically pre-populates the HireRight background check form, reducing redundant data entry, improving accuracy of the background request, and driving administrative efficiency.

Through our partnership and integrated solution, HireRight and Oracle Taleo Enterprise Edition TEE, are assisting mutual customers to leverage their investment more effectively in recruiting and background screening solutions for truly optimized performance.
