

INTEGRATIONS DONE RIGHT

- **Productized integration**
- **Real-time order and screening status**
- **Configurable account and notification setup**

Recruiting top talent is critical for the success of any organization

HireRight and Zoho have built an integrated solution to consolidate critical recruiting and background screening requirements into one solution to deliver convenience, control, faster results, and better quality of hires.

Through a single interface, recruiters can order HireRight background checks and/or drug tests for domestic or international locations with just a few simple clicks within Zoho Recruit. Once the order is submitted, background check results begin appearing in real time for the recruiter to view.

Our integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements ensure maximum long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

Through our partnership and integration, HireRight and Zoho are assisting mutual customers to achieve a recruiting and background screening solution with truly optimized performance.

Integration Advantages:

Streamlined ordering

Centralized hiring process

One system for all of your hiring needs

Change tracker

Alerts recruiter to changes made in the background check process

Mobile optimized

Candidates can complete background check using their preferred device

Status updates

Ensure a timely and transparent process

Integration support and automatic updates

About HireRight

HireRight is a leading global provider of technology-driven workforce risk management and compliance solutions. We provide comprehensive background screening, verification, identification, monitoring, and drug and health screening services for approximately 37,000 customers across the globe. We offer our services via a unified global software and data platform that tightly integrates into our customers' human capital management systems enabling highly effective and efficient workflows for workforce hiring, onboarding, and monitoring. In 2022, we screened over 24 million job applicants, employees and contractors for our customers and processed over 107 million screens.
