

SELECTIVE INVOICE DISCOUNTING

Allows businesses to get an advance against specific invoices, from a single or handful of customers

WHAT ARE THE BENEFITS?

- **Quick response:** application in minutes, same-day quote
- **Easy to use:** smart online platform reduces admin
- **Straightforward costs:** no hidden fees
- **Personal service:** dedicated account manager

WHAT ARE THE TERMS?

Choose from a subscription or pay-as-you-go option based on funding need

WHAT DO WE CHARGE?

There are four simple fees:

- **Refundable activation fee:** based on credit limit and refundable after first invoice traded
- **Service fee:** on the pay-as-you-go option, this is a percentage of the invoice face value (with the subscription option there is a fixed monthly fee)
- **Discount fee:** a charge on the funds used
- **Listing fee:** a £15 fee to cover the cost of CHAPS payments to send funds
