ABOUT RLS LOANS

KEY FEATURES

Previous government schemes like CBILS helped UK SMEs weather COVID-19 disruptions. Now, the British Business Bank's Recovery Loan Scheme has been launched to accelerate post-pandemic recovery and drive your business forward long into the future.

- Loans from £50,000 to £350,000
- Repayable over 4, 5 or 6 years
- Interest-only payments for 6 months

TRANSPARENT COSTS

When you repay a loan, the amount you pay is made up of the principal (the funds you borrowed) and interest (paid on the funds you borrowed).

With an RLS loan from MarketFinance, your repayments will only include interest for the first 6 months. After that, you'll pay both the principal and the interest.

- Arrangement fee of 4%
- Interest from 8.49% to 10.59%
- No charge for early repayment
