ADD-ONS

We've partnered with leading companies in credit insurance (Euler Hermes) and credit control (Veritas Commercial Services). These optional add-ons can run alongside our funding solutions for greater peace of mind and convenience.

HOW IT WORKS

01 APPLICATION

Speak to one of our funding specialists or apply online. You'll get an indicative quote within 24 hours.

02 DECISION

Connect us to your accountancy software. We'll give you a funding decision within days.

03 ACTIVATE

We'll set up a new bank account in your name for your customers to pay into, and confirm outstanding balances for key debtors.

04 ACCESS

Once set up, log in anytime to access your facility, see how much you have available and view your outstanding balance.
