

INCREASE SALES WITH A **CUSTOMER LOYALTY PROGRAM**

Store Loyalty is a low-cost, high-ROI way to drive repeat business on DoorDash.

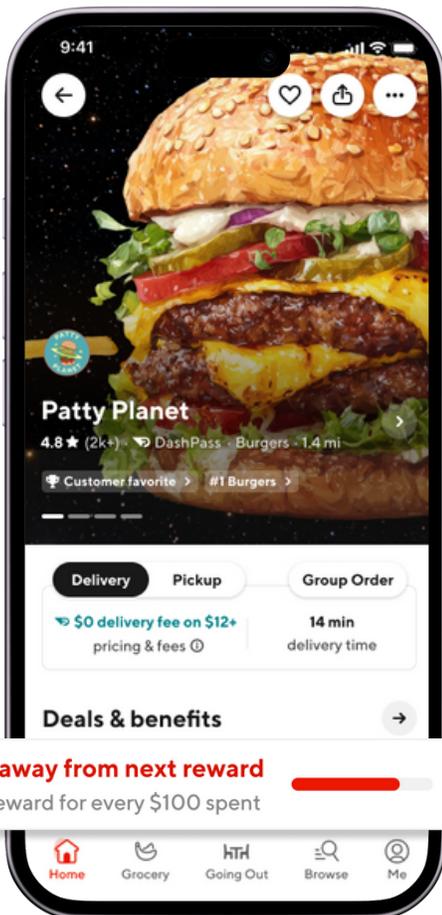

GIVE CUSTOMERS A REASON TO KEEP COMING BACK

Loyalty programs are an effective tool for growth because they encourage customers to come back again and again, meaning more sales and more opportunities to build a relationship with customers.

The only cost of our Store Loyalty program is the reward you choose to offer, so the ROI is high.

Based on a pilot of 450+ stores, on average, customers order 7% more often from stores with Store Loyalty.
