

# GROW YOUR **COMMISSION-FREE** BUSINESS WITH THE SAME TECH BEHIND DOORDASH

Commerce Platform helps you turn Marketplace reach into repeat customers – all on one platform, without extra work.

## MAKE ORDERING EASIER FOR YOUR CUSTOMERS

Stay top of mind and keep customers coming back with a **branded website** and **mobile app**. We build and customize it for you – colors, fonts, images – so it reflects your brand.

## INCREASE REPEAT ORDERS WITH A CROSS-CHANNEL LOYALTY

**Cross-Channel Loyalty** helps you see who your DoorDash customers are and bring them back on your own channels. Reward them no matter where they order – online, in-store, on your app, or on DoorDash.

## EFFORTLESSLY SEND TARGETED EMAILS AND SMS

Use our **automated emails series** designed to drive repeat orders and win back customers. Create your own campaigns using pre-built templates or let **AI Marketer** handle the content and timing for you.

## IMPROVE YOUR REPUTATION ON GOOGLE, YELP, AND DOORDASH

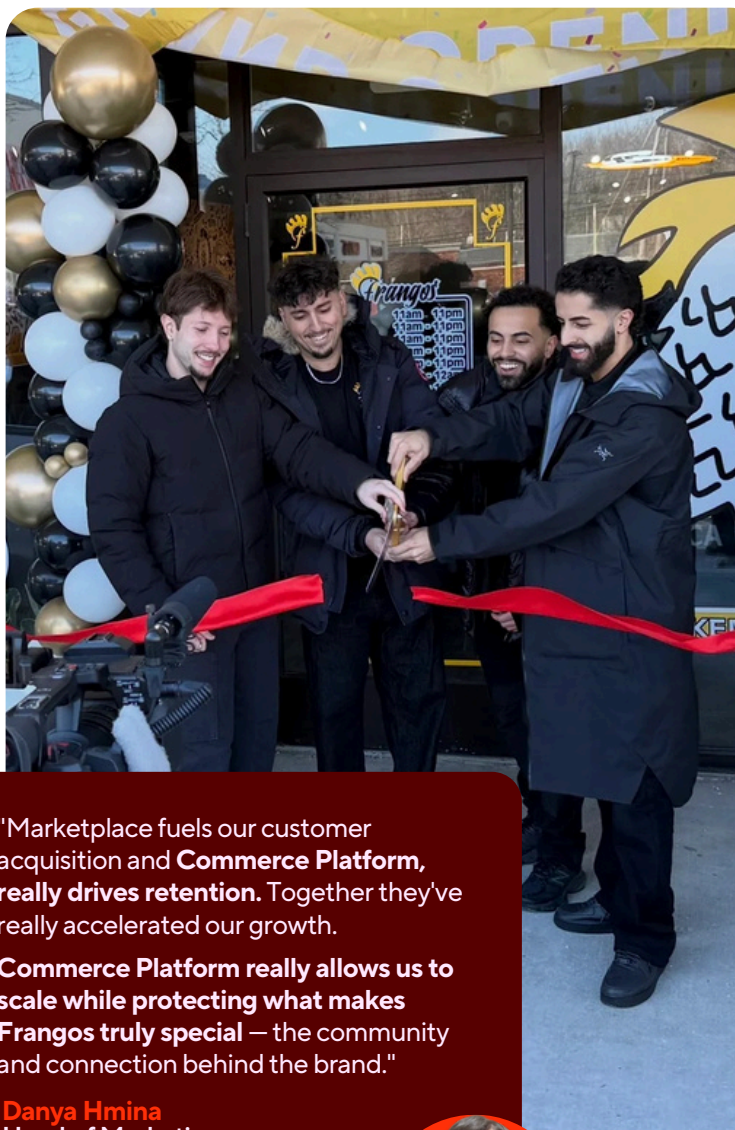

Catch negative feedback before it goes public, automatically generate more 5-star reviews, and significantly reduce response time with **Guest Experience Management**.

**47%**

average sales growth within 2 months of launch<sup>1</sup>

**30%**

more frequent orders from branded app customers<sup>2</sup>

"Marketplace fuels our customer acquisition and **Commerce Platform**, really drives retention. Together they've really accelerated our growth.

**Commerce Platform** really allows us to scale while protecting what makes Frangos truly special – the community and connection behind the brand."
