

DASHPASS FOR EMPLOYEES

Add DoorDash's monthly subscription services to your corporate perks program. Employees enjoy \$0 delivery fees and reduced service fees on every order.

Introducing your team's new favorite wellness benefit.

Attract great talent

As companies increasingly provide snacks and beverages, offer a unique food benefit that puts you ahead of the competition.

Keep retention high

With a versatile meal perk, you can keep employees happy, saving on turnover costs that can total up to 20% of an employee's salary.

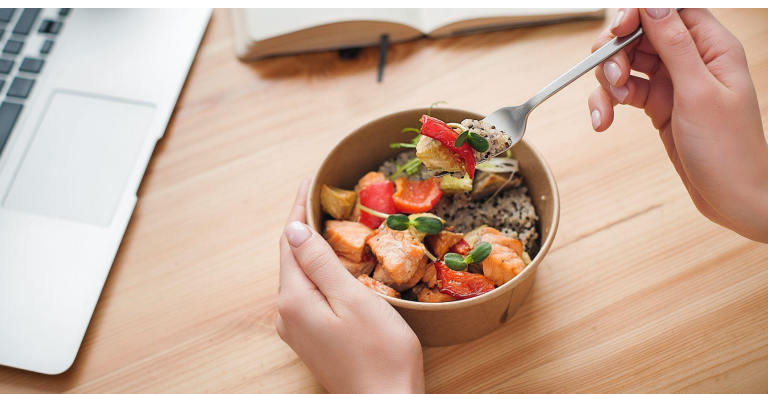

Offer a remote-friendly perk

DashPass for Employees is a flexible perk you can offer all employees, whether they work at home, in the office, or travel for business.

Save your employees money

DashPass users save an average of \$4-\$5 on every order while supporting local restaurants at any time— not just during work hours.

....and time

Employees save an average of 17 minutes a day (68+ hours a year) on meal preparation during the work week, allowing more focus on the day's tasks.*

Keep employees happy

91% of employees receiving meal benefits feel satisfied with their job, compared to 78% for those without.*

Here's how it works:

Select the number of subscriptions and send DoorDash a list of employee email addresses.

DoorDash provides you with marketing materials to advertise the new benefit internally and drive adoption.

Employees enroll in DashPass, enjoying \$0 delivery, 5% back on pickup, and reduced fees on eligible orders.
