

VOUCHERS FOR ONE-TIME EVENTS

Share a meal with employees or clients by sending a one-time link, redeemable wherever they choose on DoorDash.

From team offsites to client meetings, share a meal stipend for ad hoc corporate events.

Seamless set up for non-employees

Feed employees and clients alike without the hassle of adding emails to your Admin Portal.

Choose from 500,000+ merchants

Recipients can select a meal from our industry-leading merchant selection of local favorites and national chains.

Recipients choose their own food

No need to collect orders — recipients are able to select their own meals within a set timeframe.

Set restrictions and share

Control the numbers of recipients, voucher value, and timeframe of use. Send via a custom link or email.

Track spend and save

View who has accepted and utilized their voucher through live updates. Only pay for redeemed spend. Monthly invoicing is available.

Help your team feel the appreciation

According to a 2024 survey by DoorDash for Business, 85% of employees feel more appreciated by their employer when they receive meal benefits, and 79% report feeling more productive.*

Check 'coordinate food' off your list in a few simple steps:

Select the voucher value and the date range. Vouchers can be created for individuals or in bulk.

To add recipients, enter information of employees, client, and others receiving a complimentary meal.

Share seamlessly via email or a custom link. Track use and pay for redeemed spend only.
