Design with nature in mind.

The modern workplace must be more than the sum of its parts. Throughout the property, carefully curated natural materials, inspiring greenery, and effortless functionality form a unique campus experience that's as inspiring as it is productive.

GREEN. SPACE.

Grand + Nash is committed to reducing the footprint of all tenants. Modern, drought-tolerant landscaping uses less water and top-of-the-line mechanical systems ensure peak efficiency, while and extensive solar photovoltaic array powers the building — and sends sustainable power back to the grid.
