

Leadership For All.

Anyone can be a leader, no title required.

Leader | Manager

One is not synonymous with the other.

Non- Positional Leadership

Takes the form of small actions from anyone in order to reach a shared mission or goal

Entails taking responsibility for the way things can go

Presents as an accountable person and that influences decisions where you find yourself

Refers to any initiative taken outside of the traditional leadership role

Leadership for all in practice

Will look different for all

Leadership is not a cookie-cutter, one size fits all. The you in the equation will shape the outcomes.

Will look different in different situations and with different audiences

Different settings allow for different opportunities to exercise leadership. Not all settings are the same.

Start Considering

You can all be Leaders.

**WE DON'T NEED A TITLE TO LEAD. WE JUST
NEED TO CARE. PEOPLE WOULD RATHER
FOLLOW A LEADER WITH A HEART, THAN A
LEADER WITH A TITLE.**
