

Where does our money come from?

We are very grateful for every gift. Some people who have less income give lots of their time.

How is this money spent?

What we need to do next

This year we don't yet have enough money to meet all our commitments. We want to expand our Haven in the community and increase our staff team to enable us to grow. We have worked out that we will need an extra £2000 each month in the coming year to enable us to fulfill our plans.

GIVING GENEROUSLY

Please pray and reflect on the information in this leaflet

Planned giving is the most effective way to give as it enables us to plan and use our resources more effectively. Thank you for all you are able to give.

To give by standing order or as a single gift please complete a pledge & gift aid form.

VISION

We believe God's vision is for us to be a place where:

- people of all ages & parts of our diverse local community encounter the living God
- we are nurtured and grow in our relationship with Jesus
- we care for one another and are hospitable
- we learn to be more prayerful and generous

and so become a beautiful influence in our community

WHAT'S NEXT?

We believe that God wants us to continue to grow as a Haven for our community and that some of the next steps towards this will be:

- ♥+ continuing to nurture and grow disciples, as well as bringing new people to faith
- ♥+ investing more in our kids, young people and student ministry
- ♥+ providing capacity for the new KEYS recovery project for York to be based here
- ♥+ improving our organisational structure by recruiting a part time administrator/volunteer manager
- ♥+ developing the church and hall for greater use by the community
- ♥+ outreach within the new Cocoa Works development

We also need to complete further stages of our building project, so that we have a good place from which to offer a Haven in the community - we can only do this if we use our resources to work in partnership with God
