Thank you for agreeing to this Shaw Residential Service Agreement (“Agreement”)

Shaw will provide you with the selected combination of services, plans, add-ons, channels, rental equipment and other products as set out above (the “**Services**” and/or the “**Equipment**”, as applicable). The Services are provided either on a fixed term or month-to-month term and may be amended from time to time in accordance with this Agreement. Services provided on a month-to-month term will automatically renew each month. Services provided on a fixed term will continue for the initial term shown above (“**ValuePlan Commitment Period**”).

Provisions relating to Services Under ValuePlan Commitment Period

An Internet minimum service level of Internet 75 (or equivalent services) is required to be maintained for the ValuePlan Commitment Period (the “**Internet Minimum Service Level**”), except for when the initial Internet Service is Internet 10 (or equivalent services) whereby the Internet Minimum Service Level is Internet 10. Concurrently a TV minimum service level of Starter TV (or equivalent services) is required to be maintained for the ValuePlan Commitment Period (the “**TV Minimum Service Level**”, and together with the Internet Minimum Service Level, the “**Minimum Service Level**”), except for when the initial TV Service is Limited TV (or equivalent services) whereby the TV Minimum Service Level is Limited TV respectively. Your Services are customizable so long as the Minimum Service Level is maintained during the ValuePlan Commitment Period. If you choose to change any of your Services, the monthly fee payable is the then current market price of your new selection plus applicable taxes. Equipment rental discounts may be removed if you downgrade or vary your services, see Equipment Section for more details.

ValuePlan Commitment Period and Service Activation

Your ValuePlan Commitment Period begins (i) for new customers, on the date that your installation and Service activation is scheduled to occur and (ii) for existing customers, on the date when you are scheduled to have your new or changed Services activated. Billing for the Services will begin once the new or changed Services have been activated. Notwithstanding the foregoing, billing for certain self-installed Services may automatically commence upon the timing provided to you in the Service conditions. Your billing cycle date can be found on the first monthly invoice.

At the end of your ValuePlan Commitment Period

Unless this Agreement is terminated earlier by you or Shaw, upon the expiry of the ValuePlan Commitment Period the Services provided for such fixed term will renew on a month-to-month basis at the then current market price plus applicable taxes for your Services and on the then current terms and conditions applicable to month-to-month customers. Shaw will notify you of the then current market price for your Services prior to the expiry of the ValuePlan Commitment Period.

Early Cancellation

If you cancel or suspend your Services or you change your subscription for your Services under the ValuePlan Commitment Period below the Minimum Service Level, you will be immediately charged an early cancellation fee calculated based on \$30 per month plus applicable taxes for every month remaining under the term of this Agreement. All other charges relating to your Services then due and owing will remain due upon the cancellation of this Agreement. Certain packages or discounts associated with your Services may be removed upon cancellation and may not be recoverable. Any remaining promotional, service or bill credits will be forfeit upon cancellation, are not recoverable or reimbursable, and will not apply to the early cancellation fee or any one-time fees and charges, such as installation fees.

Provisions Relating to Security Services

Warranties and Limitation of Liability

In addition to the limits on warranties in the Joint Terms of Service, to the maximum extent permitted by applicable law, the “Shaw Parties”, which includes Rogers Communications Canada Inc. and its affiliates, partners, licensors, dealers, representatives, suppliers and agents (and their respective employees, officers, directors, shareholders and representatives) do not guarantee or warrant that the Services will detect or prevent occurrences (or the consequences of those occurrences) that the Services and/or Equipment are designed to detect or prevent. The Equipment may be covered by a manufacturer’s or other warranty. Please see the materials accompanying your Equipment for warranty information and details, including coverage, duration and how you may make a claim under the warranty.

You acknowledge and agree that Shaw is not an insurer and that insurance, if any, shall be obtained by you to cover personal injury and property loss or damage at your premises. Any amounts that you pay to the Shaw Parties under this agreement for the Services are for Services only, are based upon the value of the Services and are unrelated to the value of your premises or the property located at your premises.

In addition to the limitations of liability in the Join Terms of Service, to the maximum extent permitted by applicable law, the Shaw Parties will not be liable to you or to any third party for any direct, indirect, special, consequential, incidental, economic or punitive damages (including loss of profit or revenue; financial loss; loss of business opportunities; loss, destruction or alteration of data, files or software; breach of privacy or security; property damage; personal injury; death; or any other foreseeable or unforeseeable loss, however caused) resulting or relating directly or indirectly from or relating to: (i) any occurrences or consequences that the Services and/or the Equipment are designed to detect or prevent and/or (ii) the attachment of any instruments, apparatus, wiring or equipment (including the installation of the Equipment), or removal thereof.

To the maximum extent permitted by applicable law, if any Rogers Party should be found liable for any loss, damage or injury due to a failure of the Services and/or the Equipment in any respect, then its liability shall be limited to a sum equal to 100% of the monthly service fees for 6 months of Services, as the agreed upon damages or in lieu of any type of damages and not as a penalty, as the exclusive remedy.

Security Services Equipment

Purchased and rental Equipment from Shaw may be compatible only with the Services that you subscribe to at the time of purchase or rental. We cannot provide any assurances that it will be compatible with any other Shaw or third party services.

Where applicable, certain existing or third party monitoring or other equipment may be integrated to work with the Services and the Shaw home monitoring Equipment. You acknowledge and agree that:

- i. you own your equipment or have the authority to allow your equipment to be used with the Shaw Security Services;
- ii. your equipment may not operate in the same manner as it did prior to you entering into this Agreement; and
- iii. Shaw has no obligation to install, set up, integrate or remove your equipment. If the Services are cancelled, Rogers will have no obligation to repair, reconnect or install your equipment or any prior alarm service provided at your premises, even if Shaw comes to your premises to remove the Shaw Security Equipment.

In some cases, you may be able to, or may be required to, self-install and/or self-remove the Equipment (subject to any local requirements to have certain equipment installed or removed by a licenced technician). **If you self-install or self-remove any Equipment, then it is your responsibility to do so properly in accordance with the manufacturer's instructions and any applicable laws, bylaws and codes. It is also your responsibility to obtain and pay for third party assistance if necessary. If you self-install or set up any Equipment, Shaw is not responsible for ensuring that the installation or set-up is applicable or appropriate for the use of the Services or the Equipment at your premises. Without limiting any other limitations of liability in this Agreement, specifically note that the Shaw Parties are not liable for any property damage, personal injury or death as a result of self-installation or self-removal of the Equipment.**

Some of the Equipment is not connected to the electrical system of your premises and are operated by battery power. This battery-powered Equipment will not operate if the battery is inoperative for any reason. While the Services are designed to inform you when the battery in the Equipment is low, you agree to regularly inspect the Equipment for dirt/dust build up and, where applicable, test the Equipment to help maintain continued operability and to replace batteries, as necessary.

If your Equipment includes cameras for use with the Services, then you agree not to use those cameras to invade another person's privacy, including the unauthorized monitoring of anyone rightfully present at your premises or any adjacent premise and where anyone may have a heightened expectation of privacy. If you have subscribed to Services with 24/7 video recording, recorded video will only be stored for 7 days and cannot be viewed or retrieved after this time. You may have the ability to download recorded video. Video recording and downloading incurs Internet usage, and any overage will be subject to the overage charges indicated by your internet plan.

You acknowledge and agree that you own the premises where the Equipment will be installed or that you have the authority to allow Shaw to install the Equipment at the premises.

Use of the Security Services

You agree to maintain a broadband internet connection compatible with the Services, as determined by us, at your premises at all times during your subscription to the Services. Internet connectivity issues will affect the proper operation of the Services.

In order to get full functionality for certain Services, you may be required to subscribe to Rogers/Shaw home internet service. This requirement is disclosed at the time of subscription.

You can manage certain aspects of your Services and Equipment through the applicable Rogers/Shaw app (available for compatible mobile devices). Where applicable, you agree to keep all information in that app, including security settings and contact details, up-to-date and accurate at all times.

It is your responsibility to set up any rules for remote access and mobile notifications. **Shaw is not responsible for setting up rules or ensuring that the rules you set up are applicable or appropriate for the use of the Services or the Equipment at your premises.**

Self-monitored Services should not be used for life-safety or emergency response purposes. You acknowledge that the Equipment is not certified for emergency response. Shaw makes no warranty or representation that use of the Services will increase any level of safety. **You understand that the self-monitored Services are not a third-party monitored emergency notification system. Shaw will not dispatch emergency authorities to your premises in the event of an emergency.** In addition, self-monitored Services cannot be considered a lifesaving solution for people at risk in the home, and they are not a substitute for emergency services. All life threatening and emergency events should be directed to the appropriate response services.

You acknowledge that the Services, including remote access and SMS and e-mail notifications, are not 100% reliable and not 100% available. We cannot and do not guarantee that you will receive notifications in any given time or at all. **You agree that you will not rely on the Services for any life safety or critical purposes. Mobile notifications regarding the status of your Services are provided for informational purposes only – they are not a substitute for a third-party monitored emergency notification system.** The information provided by Shaw on what to do in an emergency is based on authoritative safety sources, but there is no way for Shaw to provide specific information relating to a situation in your home or elsewhere. You acknowledge and agree that it is your responsibility to educate yourself on how to respond to an emergency and to respond according to the specifics of your situation.

General Provisions

Charges, Payment & Changes

You may visit the MyShaw tool at my.shaw.ca for more information on your current Services, to view your monthly Internet data usage and notifications and to manage your billing information. You will be billed monthly for both your Services and any applicable equipment and the charges will appear on your monthly invoice. Payment terms are included in our Joint Terms of Service. For TV and Internet Services provided on a month-to-month basis, including fixed term Services that will transition to a month-to-month basis upon the expiry of the ValuePlan Commitment Period, Shaw may make changes to your Services from time to time in accordance with the CRTC's TVSP and Internet Codes, as applicable, including changing the applicable regular monthly fees and charges, by providing you with not less than 30 days' notice of any such change becoming effective (for Internet Services, not less than 60 days' notice for changes to key contract terms and conditions as defined in the CRTC Internet Code). For all other changes, including substantive changes to the Joint Terms of Service, Acceptable Use Policies and Privacy Policy, each of which are hereby incorporated by reference into this Agreement, Shaw will provide you with notice as required by applicable law. If you do not wish to accept the aforementioned changes, you may contact Shaw to change or cancel your Services. You shall be deemed to have accepted any changes made by Shaw if you continue to use your Services after such changes are effective with no additional action or agreement required. This Agreement is non-transferable by you but may be freely assigned by Shaw. If the Services under this Agreement replace or supersede all services under an existing agreement, your previous agreement will automatically terminate once the Buyer's Right to Cancel period (as set out below) and any applicable trial period under this Agreement has elapsed. Early cancellation fees applicable to your previous agreement will remain in effect until it is terminated. If this Agreement is cancelled within the Buyer's Right to Cancel period or any applicable trial period then your previous agreement will become active, however, if any of the Services included in the previous agreement are no longer available, then equivalent in-market Services will be instated for the remainder of the ValuePlan Commitment Period of your previous agreement.

Buyer's Right to Cancel

You may cancel this Agreement from the day you enter into the Agreement until 10 days after you receive a copy of the Agreement. You do not need a reason to cancel.

If you do not receive the goods or services within 30 days of the date stated in the Agreement, you may cancel this Agreement within one year of the Agreement date. You lose that right if you accept delivery after the 30 days. There are other grounds for extended cancellation. For more information, you may contact your provincial/territorial consumer affairs office. If you cancel this Agreement, Shaw has 15 days to refund your money and any trade-in, or the cash value of the trade-in. You must then return the goods. To cancel, you must give notice of cancellation at the address in this Agreement. You must give notice of cancellation by a method that will allow you to prove that you gave notice, including registered mail, fax or by personal delivery. If you send the notice of cancellation by mail, facsimile or electronic mail, it doesn't matter if Shaw receives the notice within the required period as long as you sent it within the required period.

Equipment

Shaw will provide you with the applicable rental of new or refurbished equipment as selected by you and shown above at the then current monthly rental price plus applicable taxes, with such price subject to change with notice. All equipment provided by Shaw under this Agreement shall remain the property of Shaw and must be returned to Shaw within 30 days of termination or early cancellation of this Agreement or the Services. In the event of any loss of, damage to, or non-return of such equipment, you hereby authorize Shaw to charge you for replacement and/or repair of the equipment. If you choose to downgrade or vary your Services you may no longer be eligible for any equipment rental discount itemized in the Agreement. If applicable, you may also be able to purchase from Shaw equipment to be used in connection with the Services. You are solely responsible to pay for and maintain such equipment and Shaw will not be liable for any damage in connection with the equipment.

Price Guarantees

If any of your Services have a price guarantee (as identified in the Service description and discounts above) the monthly fees payable during the above stated promotional term(s) will not increase during this Agreement as a result of normal rate increases applicable to all Shaw customers. Price guarantees do not apply to any television add-ons, channels, channel packages, theme packs, rental equipment, phone add-ons (such as voicemail or call waiting), domestic or international long-distance charges, pay-per-use charges or third-party costs including, but not limited to, levies, surcharges, taxes or other fees required to be paid as a result of the Services provided.

Additional Terms and Conditions

The Joint Terms of Service, the Acceptable Use Policies and the Privacy Policy set out below or in the attached and available at www.shaw.ca, as may be amended from time to time, apply to the provision of all Shaw services. Where the terms contained herein differ from those contained in the Joint Terms of Service, the Acceptable Use Policies or the Privacy Policy, the terms of this Agreement shall prevail.

Commissioner for Complaints for Telecom-television Services

The Commissioner for Complaints for Telecom-television Services (CCTS) is an independent agency whose mandate is to resolve complaints of individual and small business customers about their television and telecommunications services, free of charge. If you have a complaint about your telephone, wireless, television or internet service, you must first try to resolve it directly with your service provider. If you have done so and have been unable to reach a satisfactory resolution, CCTS may be able to help you.

To learn more about CCTS, you may visit its website at www.ccts-cprst.ca or call toll-free at 1-888-221-1687.
