

If your request is granted, the UCC filing will be terminated and re-recorded 45 days after approval. If you have not closed within this timeframe you will be required to submit a new request including the non-refundable fee.

Requests are subject to a non-refundable subordination processing fee of **\$150.00**. Processing may take up to 20 business days. You will be notified via email of our decision.

To obtain a secured link that can be used to upload a PDF packet of the required items, send your request for the secured link to: subordinations@westerracu.com. State in the subject line "Energy Efficient Subordination Request" and the Borrower's name.

Subordination fees must be paid with the request and can be paid by either of the following methods:

1. Make a deposit for the fee to your share account. Once the funds are available in the account, send a secure message through online banking requesting that the funds be debited from the account for the subordination fee. Note "Subordination" in the subject line.
2. Overnight a check to:
