Other Important Information	
-----------------------------	--

Westerra uses a third-party company called HotJar, which tracks digital experience insights and behavior analytics. This software records about 10 random sessions a day to see how our users are interacting with our site to enable us to make improvements to their overall experience.

We use “cookies” (small pieces of data we store for an extended period of time on your computer, mobile phone, or other device) to make WesterraCU.com easier to use, to make our service better, and to protect both you and WesterraCU.com. You can remove or block cookies by using the settings in your browser, or denying the use of cookies by opting out of the cookies banner. In some cases that may impact your ability to use WesterraCU.com.

Direct Marketing Companies are used solely for the purpose of conducting a general analysis of your experience with Westerra, and may result in additional follow up by a Westerra team member. The Direct Marketing Company will never reach out on Westerra's behalf.

Collected Information for Mobile App
For our everyday business purposes, Westerra collects images of checks on our mobile application to enable you to deposit funds remotely. The images are used to process deposits and display in mobile application transaction history. We do not share these images with external parties for marketing purposes.
Other images in our mobile application such as the profile picture are uploaded at the user's discretion for purposes of personalization and are only used by the end user.

We may collect user privacy data including your apps usage on your mobile device such as device settings, unique device identifiers, information about your location, and analytical information that may assist with diagnostics and performance. For your convenience, you may be asked to grant permission for access to your mobile device's geolocation data. This information may be collected when you use certain services that are dependent on your mobile device's location (such as the location of an ATM or in store transactions).
