Notes:

- All guests aged 16 and above are required to complete full COVID-19 vaccination 14 days prior to departure. Guests aged between 12-15 are only required to receive one dose of vaccine.
- The 14th day after a person has completed a COVID-19 vaccination course is counted by taking the next day after the person received all of the recommended dose(s) of COVID-19 vaccine as the 1st day. For example, for a person who has not been infected with COVID-19 previously and received the last recommended dose of COVID-19 vaccine on 10 August 2021, the "1st day" would be 11 August and the "14th day" would be 24 August. This person can be considered "fully vaccinated" starting on 24 August.
- All test results of testing done within 48 hours prior to boarding by local COVID-19 RT-PCR testing institutions recognised by the HKSAR Government are acceptable. And RT-PCR nucleic acid test must be performed using combined nasal and throat swabs. For example, the boarding day is 24 October, the specimen should be collected after 22 October 1pm, otherwise it will not be acceptable.
- For children aged below 6, or guests who have undergone throat or nasal operations, are not suitable for the combined swabs test, stool tests are also accepted as an alternative.
