

Tea

Rare Tea was founded in 2004 to source and supply the world's best tea directly from the farm. An independent Direct Trade business championing hand-crafted and high value tea that supports tea communities to thrive. To further sustainable development, a percentage of all Rare Tea sales is donated to Rare Charity to establish long-term social change by funding educational scholarships.

Regency Breakfast Tea

Temi Estate, Sikkim, India & Satemwa Estate, Shire Highlands, Malawi. Traditional British tea at its finest – a more delicate flavour than a modern Breakfast tea. Soft florals balanced by smooth, malty notes, and a deep finish.

Regency Afternoon Tea

Satemwa Estate, Malawi & Jun Chiyabari Tea Garden, Nepal. A luxurious blend of black teas designed specifically to be enjoyed in the afternoon when a delicious pick-me-up is required. There are notes of chocolate and a malty richness.

Earl Grey

Satemwa Estate, Malawi & Reggio Calabria, Italy. A traditional Earl Grey blended with pure bergamot oil from the ancient orchards of Calabria. This is a classic British tea made to exacting standards. A clean and exceptionally bright infusion with exhilarating citrus notes.

Green Whole Leaf

Fuding, Fujian Province, China. An exquisite Chinese green tea that is meticulously handcrafted. The leaves are fired in a wok over charcoal in the same way and in the same place they have been made for over 3,000 years. Clean, bright and remarkably delicate.

Portuguese Peppermint

Castelo Branco, Portugal. A deliciously bright mint from a small, family run, organic farm in the Beira Baixa Province of Portugal – set between Tejo Nature Park and UNESCO recognised Naturetejo Geopark. Rich menthol aromas and a clean, smooth flavour. Uplifting without caffeine, peppermint aids digestion and sweetens the breath.

Sri Lankan Lemongrass

Dambulla, Sri Lanka. This uniquely complex and full-bodied lemongrass is made using the tender leaf rather than the woody base. It is grown in a remote mountain tea garden above the Ravana Falls combined with smallholder organic farms. A rich and exceptionally bright herbal infusion with grassy notes of fresh hay and lemon drops.

Iced Tea

Jasmine Silver Tip

Fuding, Fujian Province, China
