First-class apartments

Contemporary, cozy & fully equipped

Our apartments of all categories and sizes (up to 4 bedrooms) have first-class equipment with a high-quality, open kitchen with a dining table and a cozy living area.

The ideal accommodation for traveling friends and families who want to combine a well-designed living space with self-catering.

In the Andermatt Reuss district you will also find a selection of restaurants and bars right on your doorstep.

Authentic Andermatt

Where the alpine passes meet

The Swiss mountain village of Andermatt is idyllically situated in the Ursern Valley and is easily accessible in just 90 minutes from Zurich and 120 minutes from Milan.

The connection by train is also ideal, with hourly connections from Zürich, Lugano, Milan, Chur and Brig.

Charming chalets and wonderful restaurants make the historic village center an experience. At the same time you will find one of the most modern tourist destinations in the Alps in Andermatt Reuss.

Unique nature

Ski and hiking paradise

The mystical mountains around Andermatt are part of the Gotthard massif – a region steeped in legend that is hard to beat for its unique nature and diversity.

Discover Andermatt+Sedrun+Disentis – one of the most snow-sure areas in the Alps.

From mid-November to early May, you can experience 180 kilometres of pistes, challenging free-ride trails, toboggan runs and sun-drenched cross-country ski trails.
