

SUNCLIFFE

SOLSTICE GIN 2023 RELEASE

Rested in Whiskey del Bac mesquited casks, Solstice Gin offers a new perspective on Suncliffe's unique blend of Arizona botanicals. With a complex warmth on the palette and a hue evocative of Sedona's golden aura, this seasonal offering from Suncliffe invites you to explore a higher plane and enjoy the view.

PROCESS.

Rested in 15 gallon Del Bac Classic and Dorado barrels for 4 months and then blended. Non chill filtered. Limited release of 600 bottles across the US.

WHO WE ARE

Woman and LGBTQ-owned and operated Arizona business.
Highlighting native botanicals and supporting local communities.

WILD-FORAGED ARIZONA BOTANICALS

Three species of native juniper; one-seed, shaggy and alligator.
Ponderosa pine bark, manzanita and western elderflower.

TASTING NOTES

Sweet pterichor and desert woods on the nose.
Grilled stonefuite and carbonic toffee on the palate.
Medium bodied with a silky mouth-feel.
