

A photograph of four women participating in the Shine Night Walk. They are wearing blue t-shirts with the event logo and are adorned with colorful string lights. One woman is wearing a hat decorated with lights. The background is dark with some blurred lights. Overlaid on the image are several colorful icons: a pink star, a green musical note, a yellow star, a yellow DNA helix, a yellow pound coin, a yellow euro coin, a pink gift box, and several yellow footprints.

Shine Night Walk

Make every moment count!

Get a head start on your fundraising with this guessing game.

Charge your colleagues or loved ones £2 (suggested donation) to guess how long it will take you to complete Shine Night Walk.

The person with the closest guess will win a prize of your choice.

CANCER
RESEARCH
UK

Together we are
beating cancer

How many hours and minutes do you think it will take me to complete Shine Night Walk?

Every pound donated can help beat cancer.

£2 a guess
(suggested
donation)

Name:
Event date:
Event distance:
I'll be tracking my time using*:
Prize:

[illegible][illegible]

The person whose guess is closest will win the prize listed above. The prize is to be sourced by the promotor. If the time taken to complete the event is exactly between two guesses, the prize will be given to the person with the lowest guess of the two.

For use in the UK only.

Cancer Research UK is a registered charity in England and Wales (1089464), Scotland (SC041666), the Isle of Man (1103) and Jersey (247).
