Gift Aid Key Facts

When Cancer Research UK Receives a donation from a UK taxpayer, we are entitled to claim an amount of tax (calculated at the basic rate of income tax in that year) paid on that donation. Once you have given your permission for us to do this on your behalf (by filling in this Gift Aid form), there is no need for you to do anything else.

All that is required is that you must be a taxpayer and that you would have paid or will pay sufficient Income and/or Capital Gains Tax to cover all the Gift Aid claimed on all your donations in that tax year. Please note that it is your responsibility to pay any difference.

The amount of tax we claim will be 25% of the total value of your donations in that tax year. Furthermore, if you are a higher taxpayer, you are also entitled to claim the difference between the basic rate which we will claim and the amount of tax you have actually paid. For further details on how you can do this, please contact your tax office. If your tax situation changes and your gifts will no longer be eligible for the Gift Aid scheme please contact us and we will amend your record accordingly.
