Personal safety guide

- Please print this map and carry it with you throughout the event.
- The route is signposted. There are marshals and cyclists along the route to guide you around the course.
- The roads are open to traffic. Please only use the designated crossing points and follow all instructions from the marshals.
- You must use public transport to get you back to the finish area or home if you decide not to complete your walk.
- **The normal rules of the highway code apply. You're responsible for your own safety when crossing roads.**
