- Personal safety guide**
- Please print this map and carry it with you throughout the event.
  - The route is signposted. There are marshals and cyclists along the route to guide you around the course.
  - The roads are open to traffic. Please only use the designated crossing points and follow all instructions from the marshals.
  - You must use public transport to get you back to the finish area or home if you decide not to complete your walk.
  - **The normal rules of the highway code apply. You're responsible for your own safety when crossing roads.**
