

Thank you for powering progress

Over the past 50 years,
our work has helped double
cancer survival in the UK.

We're the world's leading cancer charity,
dedicated to saving and improving lives
with our research. Our vision is a world where
everybody lives longer, better lives, free from
the fear of cancer. And, backed by your support,
step by step, our researchers are making this
vision a reality.

More than

8 in 10

people who receive cancer
drugs in the UK receive a drug
developed by or with us.*

1 million

Thanks to progress in cancer
prevention, diagnosis and
treatment, more than a **million
lives have been saved** from
the disease in the UK since
the mid-1980s.**

90%

Our research led to the
development of the HPV
vaccine, which is expected
to **prevent almost 90%** of
cervical cancer cases in the UK.

The difference your money makes

£65

could buy special
restriction enzymes

These act like molecular
scissors to cut up the long
strands of DNA in our cells,
helping us to learn about more
than 200 types of cancer.

£170

could fund one day of
the ABC-07 clinical trial

This is testing innovative
radiotherapy techniques
for treating people with
rare bile duct cancer.

£200

could fund our team of nine
cancer nurses for one hour

Our expert team of cancer
information nurses are on
hand to offer confidential
support and guidance to
people affected by cancer.

*Estimated based on Cancer Research UK analysis of England data
