

## Template copy for legal professionals

**Template wording:** At **[Firm Name]**, we are proud to support Cancer Research UK in their mission to beat cancer.

As one of the charity's trusted legal partners, we offer **Cancer Research UK's Will-Writing Service**.

The service is straightforward and easy to use, and anyone 18 or over can write or update a simple Will and Cancer Research UK will pick up the bill. The charity hopes that in return, you will choose to leave a gift in your Will for life-saving research.

Most people do. In fact, a third of the money raised to beat cancer is from gifts in Wills.

If you want to book a **Cancer Research UK Will-Writing** appointment, call or email us on **[insert contact details]**. At **[firm name]**, we will support you every step of the way.
