

# Thank you for powering progress

Over the past 50 years,  
our work has helped double  
cancer survival in the UK.

We're the world's leading cancer charity, dedicated to saving and improving lives with our research. Our vision is a world where everybody lives longer, better lives, free from the fear of cancer. And, backed by your support, step by step, our researchers are making this vision a reality.

## The difference your money makes

**£65**

could buy special  
restriction enzymes

These act like molecular scissors to cut up the long strands of DNA in our cells, helping us to learn about more than 200 types of cancer.

**£170**

could fund one day of  
the ABC-07 clinical trial

This is testing innovative radiotherapy techniques for treating people with rare bile duct cancer.

**£200**

could fund our team of nine  
cancer nurses for one hour

Our expert team of cancer information nurses are on hand to offer confidential support and guidance to people affected by cancer.

\*Estimated based on Cancer Research UK analysis of England data

More than

**8 in 10**

people who receive cancer drugs in the UK receive a drug developed by, or with us.\*

**1 million**

Thanks to progress in cancer prevention, diagnosis and treatment, over **a million lives have been saved** from the disease in the UK since the mid-1980s.\*\*

**90%**

Our research led to the development of the HPV vaccine, which is expected to prevent almost 90% of cervical cancer cases in the UK.
