## **GPS devices**

Please don't rely on mobile phones or GPS devices to track your distance as they can be inaccurate in built-up areas.

If you need assistance during the event, look out for our marshals on route or stop at a pit stop.

## For your personal safety:

- Print this map if you can and keep it with you during the event.
- Follow the signposted route and the directions of our marshals and cyclists.
- Only use the designated crossing points and follow instructions from our marshals, as the roads are open to traffic.
- Use public transport to return home or to the finish area if you cannot complete your walk.
- Always follow the highway code and remember that you're responsible for your own safety when crossing roads.
