

Cancer Awareness in the Workplace

Helping your employees live longer,
healthier lives

In addition to our bespoke programme, we offer one-off activities and a cancer awareness month package to suit shorter-term workplace health initiatives.

What we can offer: **One-off activity**

Webinar

£825

VAT exempt

Choose from our range of webinars to help employees understand how they can reduce their risk of cancer and how to spot it early. These include a 15-minute Q&A session and are delivered by health experts and cancer awareness nurses.

Cancer
awareness
stand

£950

plus VAT

By visiting your sites, our specialist team of nurses will provide your employees with tailored information and support. The stands will allow your employees to:

- have in-depth, confidential conversations about health and cancer
- engage and raise their cancer awareness with our interactive resources
- have a Smokerlyzer® test to measure the carbon monoxide levels in their breath
- find out their body mass index (BMI) to see if their weight is within a healthy range
- find out about local and national health services
- take home a wide range of leaflets and health information

Talk

£850

VAT exempt

Designed with the workplace in mind, our talks are evidence-based and interactive. They help employees understand how they can reduce their risk of cancer and how to spot it early. They are 60 minutes, delivered by cancer awareness nurses and feature a Q&A session.

What we can offer: Cancer awareness packages

Cancer awareness month

£995
plus VAT

Cancer 101
webinar

A 60-minute webinar delivered via Teams, which includes a Q&A session with our cancer awareness nurses and health information experts. The webinar covers what cancer is, spotting it early and how to reduce your risk.

Health
communications

What they include:

- Top tips to reduce your cancer risk, such as how to keep a healthy weight, and how to have conversations about cancer and health
- Quizzes on myth busting and more
- A range of videos from lived experiences shared by people affected by cancer to tips on living a healthier life

Cancer awareness day

£1,195
plus VAT

Talk

A 60-minute talk delivered by cancer awareness nurses on how employees can reduce their risk of cancer and how to spot it early.

Cancer
awareness
stand

On the same day, cancer awareness nurses will set up a stand to provide your employees with interactive resources, tailored information and support.
