

# Shine Night Walk

## Shine Night Walk 2026 Newcastle and Gateshead 10k

Together we are beating cancer

Key	
	If using what3words free app to find the exact starting point
	Kilometre marker
	Pit stop – toilets, first aid and refreshments
	National Rail

- Personal safety guide**
- Please print this map and carry it with you throughout the event.
  - The route is signposted. There are marshals and cyclists along the route to guide you around the course.
  - The roads are open to traffic. Please only use the designated crossing points and follow all instructions from the marshals.
  - You must use public transport to get you back to the finish area or home if you decide not to complete your walk.
  - **The normal rules of the highway code apply. You're responsible for your own safety when crossing roads.**

Accurate at the time of publication. Please note this map is not to scale and is subject to change.

**Baltic Square**
