*** To register for a child or young person ticket, participants must be 17 or under on the date of the event*

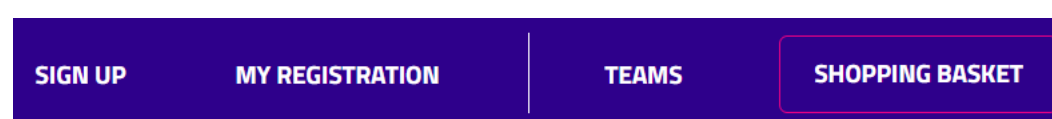

**** Anyone who has lived with cancer is welcome to join their chosen Relay as a Survivor and become their guest of honour.*

Points to note:

- As we continue to iron out the functionality of the website/registration processes, information in this document will be updated regularly. Therefore, some information might be outdated.

Top Tips

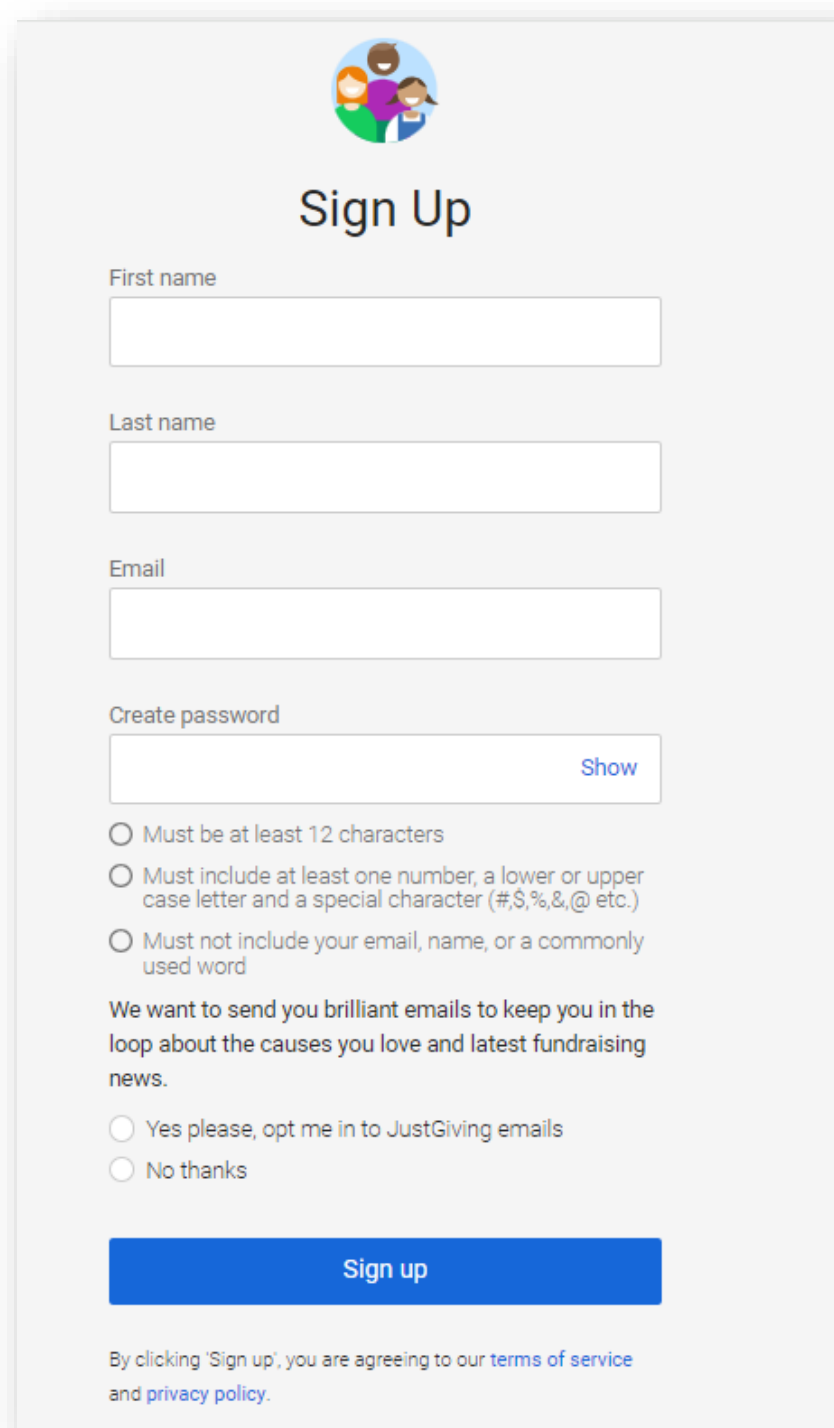

- Create or sign in to your JustGiving account before registering for your event. This will make it easier to claim your page.
- If you already have a JustGiving account and can't remember your password, reset it and log in before registering.
- If you are the Team Captain and you have issues claiming your page, please do not delete your page as this could delete the team.
- Always remember to register yourself after you create a team.
- If you have registered for someone else and used your email address, if you claim the page whilst signed into your JustGiving account it will be in your name. You can use [these instructions](#) to change the page title, but it is not possible to change the page name.
- If you are registering anyone else and they are not part of the same team as you, ensure you are logged out of your own team. Check the right-hand corner of the registration form , which should look like this

Create a JustGiving Account

Cancer Research UK works with JustGiving to support your fundraising for Relay for Life. **You must have an account with JustGiving to create your fundraising page.**

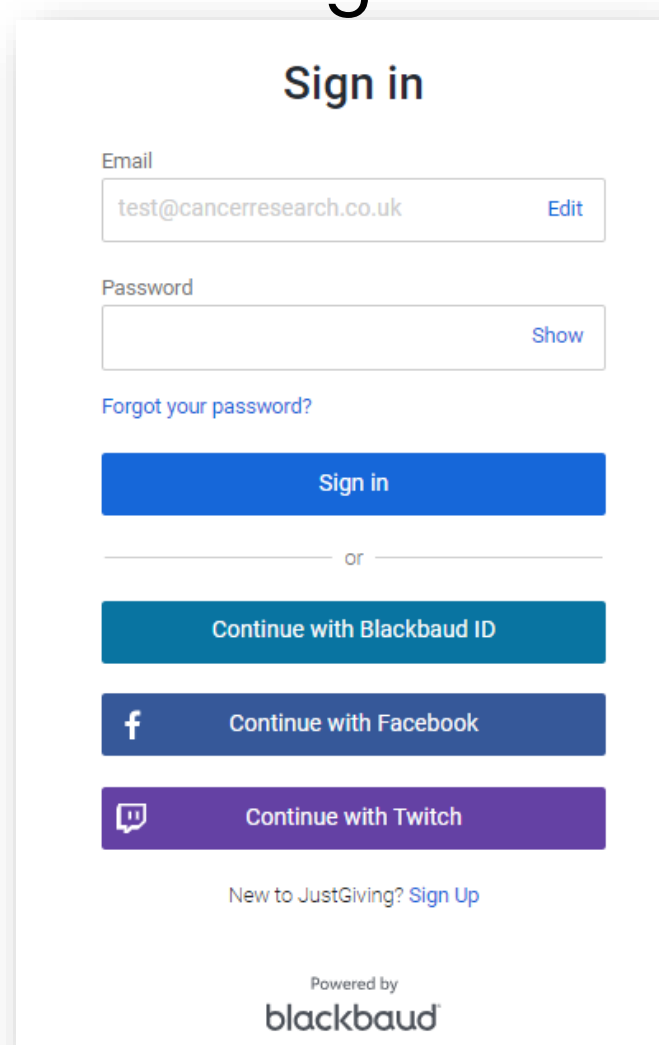

Go to <https://www.justgiving.com/sso/signup> to sign up for an account.

The image shows a 'Sign Up' form for JustGiving. At the top is a circular logo with three stylized figures. Below the logo is the title 'Sign Up'. The form contains several input fields: 'First name', 'Last name', 'Email', and 'Create password'. The 'Create password' field has a 'Show' link to its right. Below the password field are three radio button options for password requirements: 'Must be at least 12 characters', 'Must include at least one number, a lower or upper case letter and a special character (#,\$,%,&,@ etc.)', and 'Must not include your email, name, or a commonly used word'. Below these is a paragraph: 'We want to send you brilliant emails to keep you in the loop about the causes you love and latest fundraising news.' followed by two radio button options: 'Yes please, opt me in to JustGiving emails' and 'No thanks'. At the bottom is a blue 'Sign up' button. Below the button is a small line of text: 'By clicking "Sign up", you are agreeing to our [terms of service](#) and [privacy policy](#).'

After completing your details, you can move on to signing up for your chosen Relay event.

If you already have a JustGiving account, log in with your details

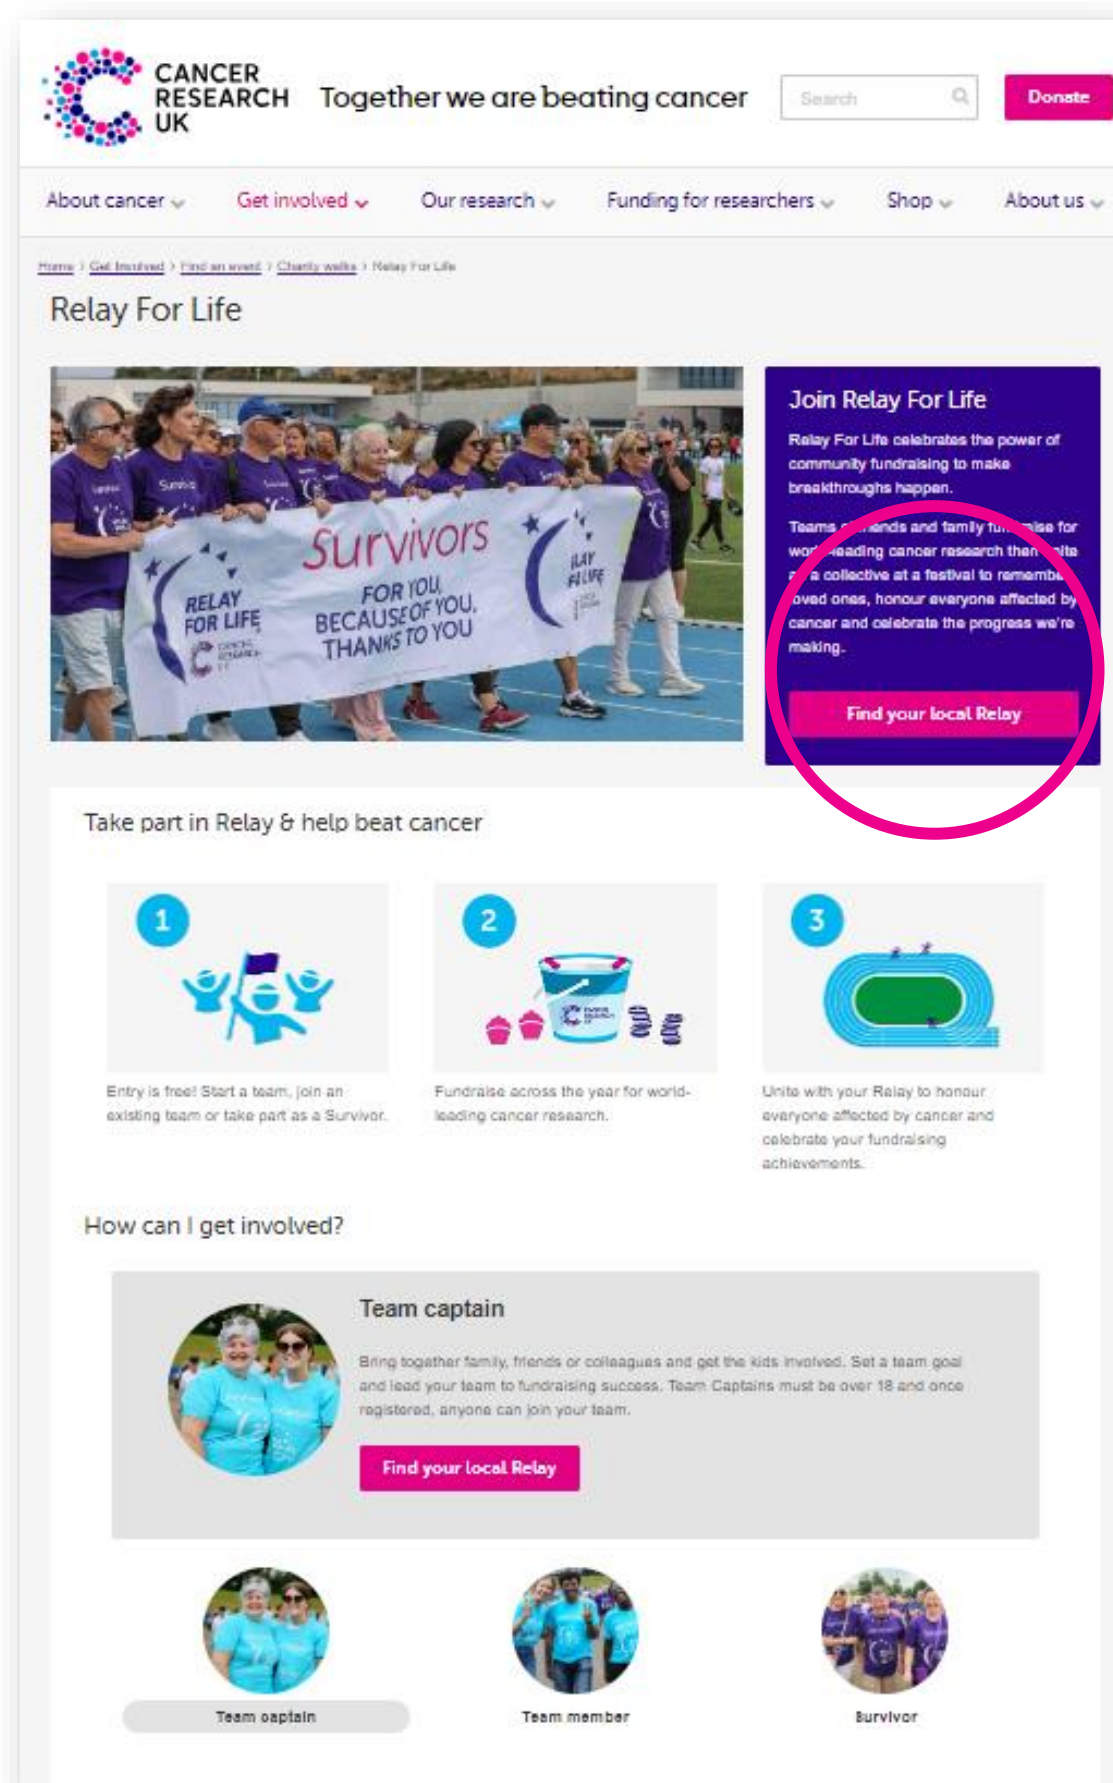

The image shows a 'Sign in' form for JustGiving. At the top is the title 'Sign in'. Below the title are two input fields: 'Email' and 'Password'. The 'Email' field contains the text 'test@cancerresearch.co.uk' and has an 'Edit' link to its right. The 'Password' field has a 'Show' link to its right. Below the password field is a link: 'Forgot your password?'. Below this is a blue 'Sign in' button. Below the button is a horizontal line with the word 'or' in the center. Below the line are three buttons for social login: 'Continue with Blackbaud ID' (teal), 'Continue with Facebook' (dark blue with a Facebook 'f' icon), and 'Continue with Twitch' (purple with a Twitch logo icon). Below these buttons is a link: 'New to JustGiving? [Sign Up](#)'. At the bottom is the text 'Powered by blackbaud' with the Blackbaud logo.

If you have forgotten your password, please click the “**forgot your password?**” link and JustGiving will send an email to you with a link to update it.

About Relay For Life

Join us for local Relay For Life brings communities together to fundraise for Cancer Research UK and beat cancer. Teams of friends, families and colleagues fundraise for research to save and improve lives, then unite as a community at an event to honour everyone affected by cancer and celebrate the progress we've made.

The event is focused around a relay where team members take turns completing an activity, whether that be a run of a track, walk through a park or some other challenge to show that step by step, we're beating cancer. Every Relay For Life includes games and music from local performers, and a Candle of Hope ceremony to give us a moment to reflect and honour everyone affected by cancer.

Simply join your local Relay by starting a team, joining an existing team or by taking part as a Survivor.

We want to beat cancer and to make breakthroughs tomorrow, we need your help today.

Start a team

Bring together family, friends and colleagues and get the kids involved! Set a team goal and lead your team to fundraising success. Team Captains must be over 18 and once registered, anyone can join your team.

Join a team

Have someone who's starting a team? Join them and encourage others to do the same! You'll have fun and an amazing sense of achievement as you smash your fundraising target ahead of an event to remember.

Survivor

Anyone who has ever lived with cancer is invited to join us as our Guests of Honour. Survivors can create a team, join a team as a team member, or register as an individual for their local Relay event.

What is Relay For Life?

What is the Candle of Hope Ceremony?

What can I expect on the day?

Your local Committee

Each Relay is led by a committed group of volunteers, known as an Event Chair - these volunteer leaders are the backbone of the whole experience. They work all year round supporting each team's fundraising and creating an unforgettable Relay.

If you can give the time, and have skills to offer, your local committee would love to hear from you. If you need additional support or have questions about the event or your fundraising, you can contact your local Event Chair directly.

Elaine's Story

Elaine was working in a Cancer Research UK shop in Edinburgh in 2016 when she was diagnosed with breast cancer. After surgery, chemotherapy and radiotherapy she's now eight years cancer free. She says: "I have been raising funds for Cancer Research UK since my brother died of cancer in 2007. My daughter Carrie also works for the charity. Together, we took part in Relay For Life Aberdeen in 2019 - I was totally hooked." Elaine even became Dundee Relay For Life Chair. Over two years, they raised over £131,000. She said: "It was incredible how the community pulled together and joined the fight. I find being together with other Survivors is so special and powerful! We're creating more survivors."

Need help fundraising?

Relay For Life is the celebration of community fundraising and a chance to unite your family and colleagues with one common goal, beating cancer.

We want to bring about a world where everybody lives longer, better lives, free from the fear of cancer and to make breakthroughs tomorrow, we need your help today.

To help you and your team across the year, look through our fundraising tips and support, and let's make next year one to truly remember.

We can't wait to see you at Relay For Life 2025

Can register as an individual or join an existing team as a team member. Will need parent/guardian permission if aged 15 or below.

Register as a Team Captain

Whether you’re registering for an Adult Survivor or Adult ticket, you can **create a team** as a Team Captain.

Click on ‘Create Team’ on your chosen ticket type.

Choose a team name and a password to share with your prospective team members

Team name *

Create a password for your team to share with your team mates when they register for Relay for Life. We'll also provide you with a unique team link personal to you to share with your friends and family.

Team password *

Input your email address

We'll send you a unique link to the email address you provide with your team details to make it easy for your friends, family and colleagues to join you at a Relay for Life event.

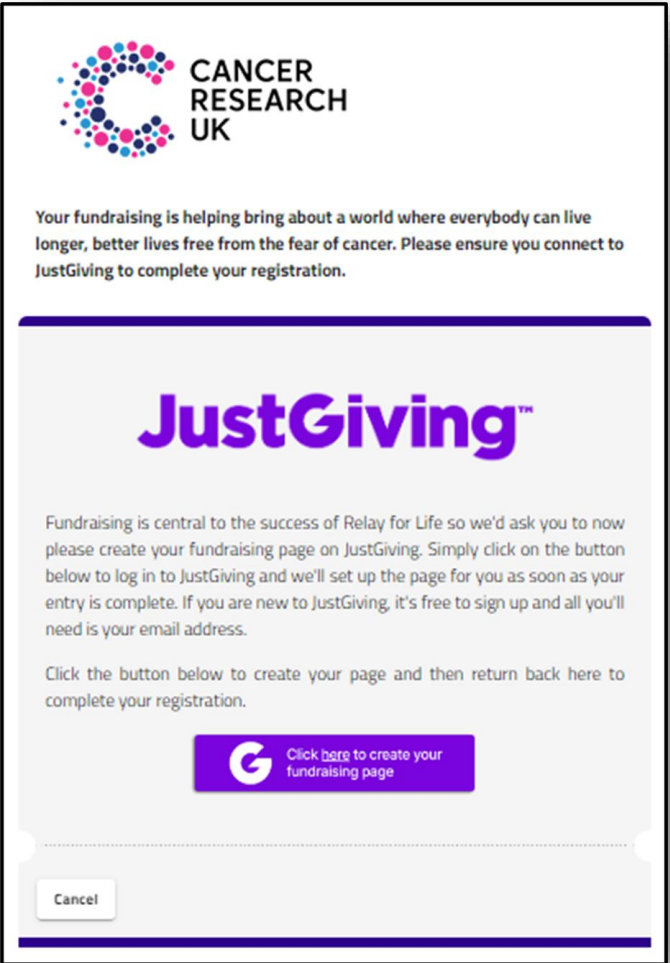

Email *

If you’re happy that your details are correct, click ‘Create This Team’

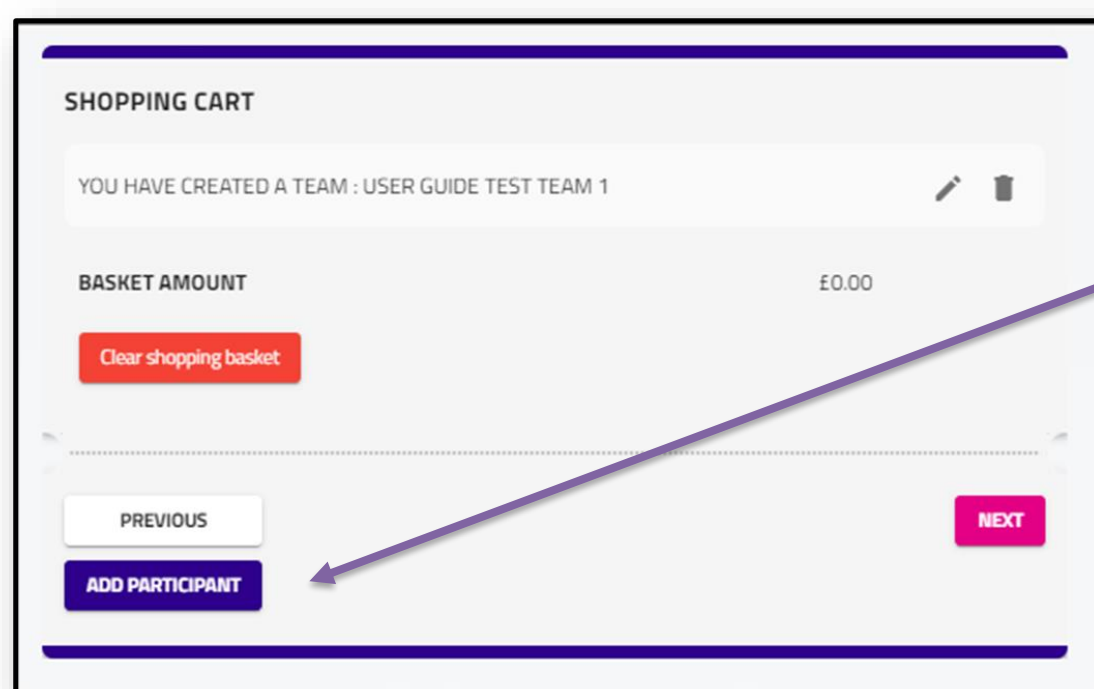

Click on the purple box. This creates your JustGiving team page. If you do not have a JustGiving account, you can create one now.

You will not be able to move on with creating a team until you have completed this step.

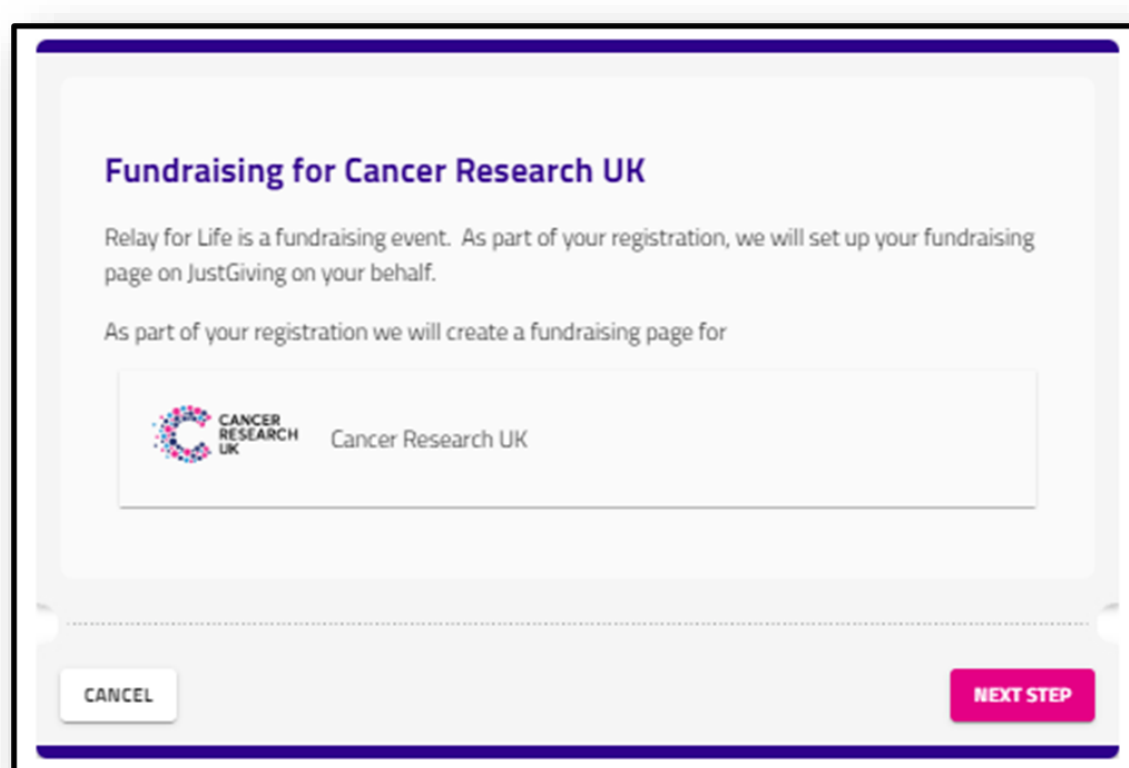

You will be brought to your shopping cart.

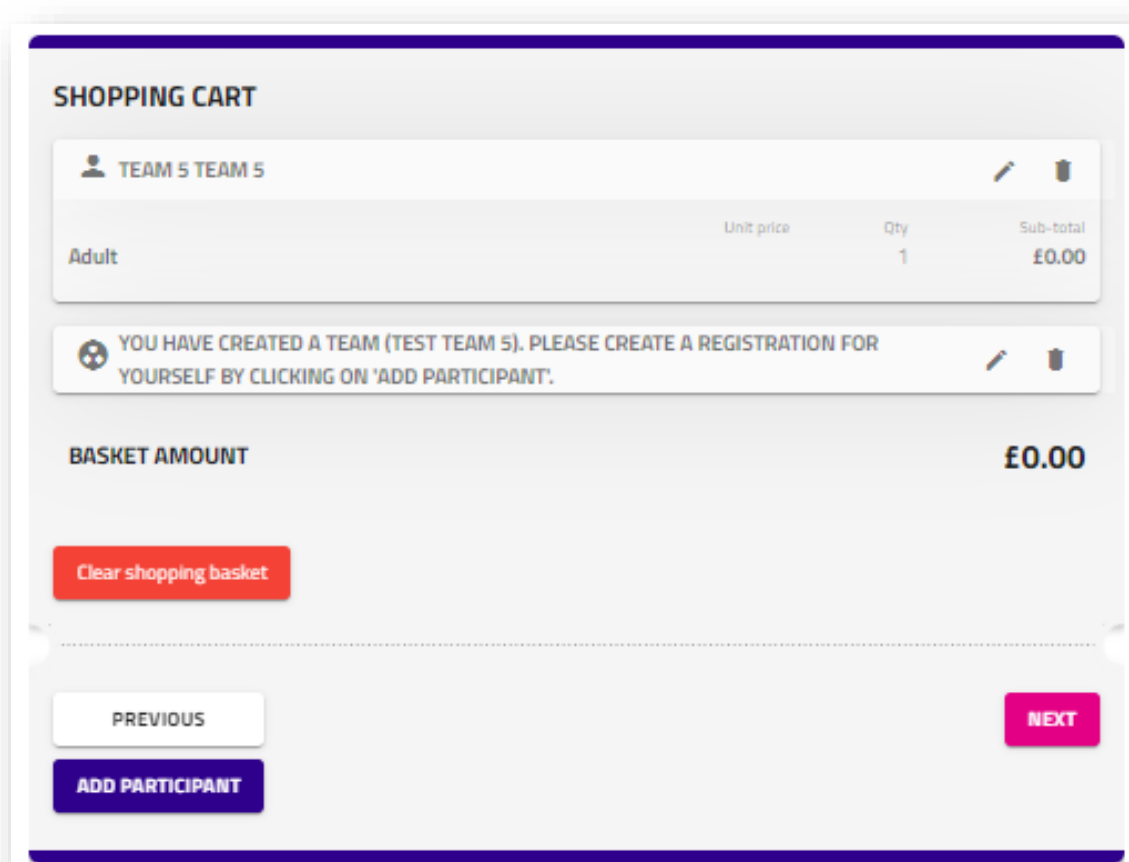

It is important to register yourself as part of the team that you've just created otherwise the team will not be visible on the main campaign page.

You must add yourself by clicking on 'Add Participant' and follow the instructions to register.

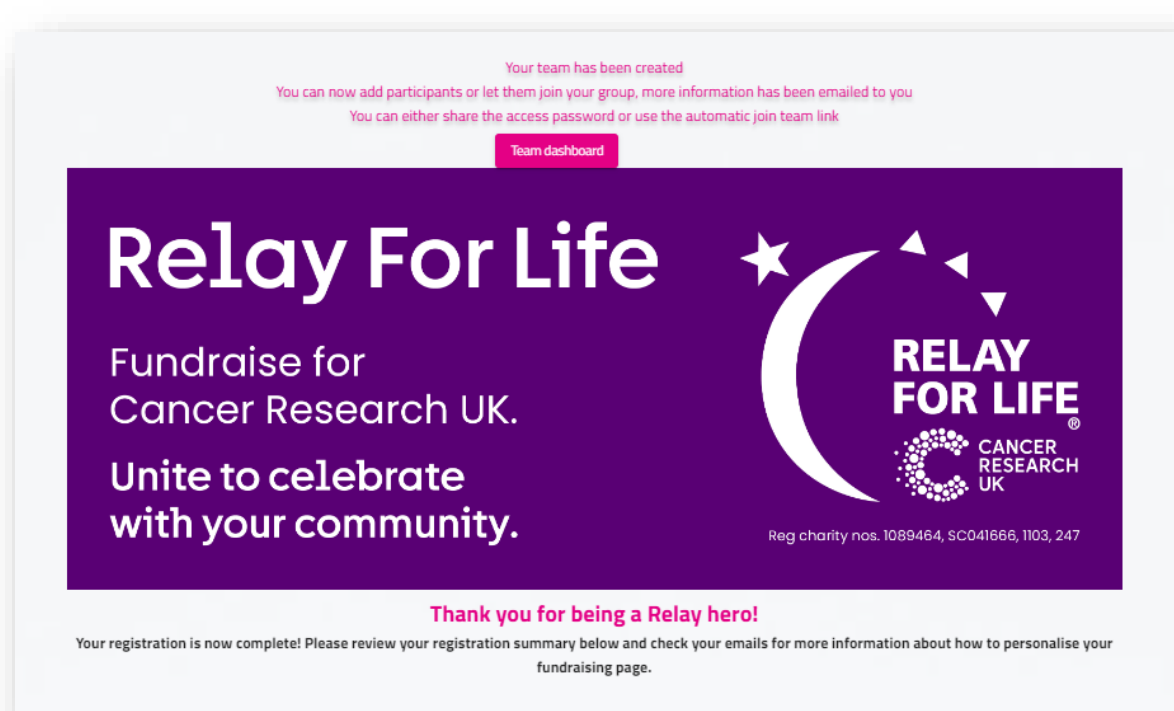

Once you have completed your personal details your JustGiving page will be created. You will receive an email with a link to claim your page

At this point, you can also add other participants to your team. To register on their behalf, click 'Add Participant' and follow the steps.

Or, if you're happy to progress, click 'Next'.

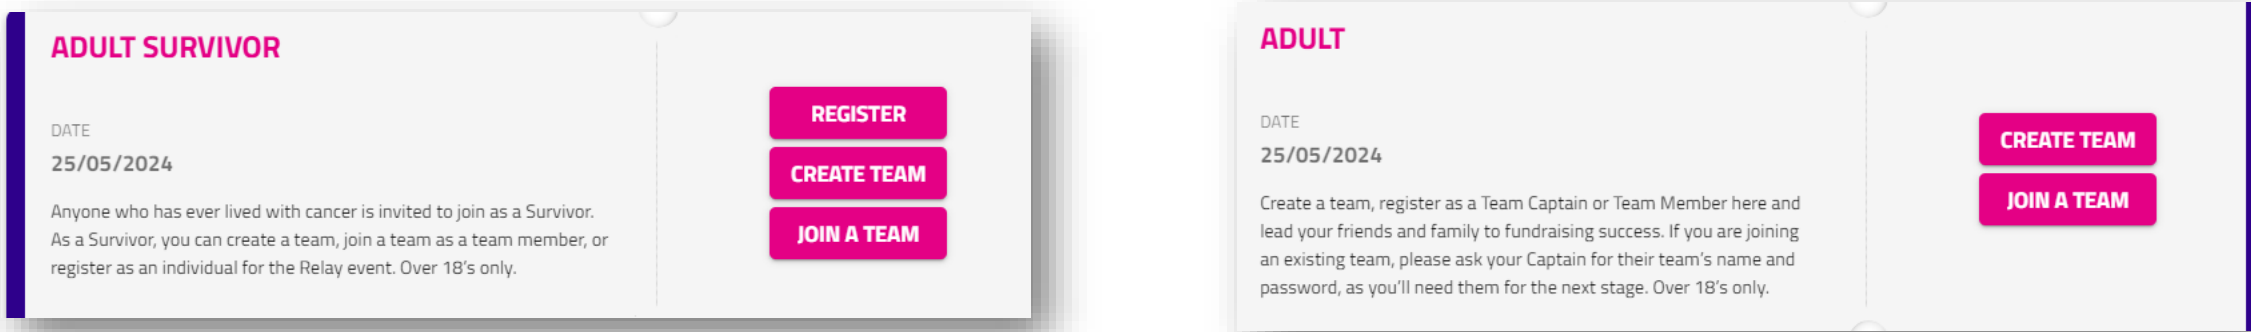

Your registration is now complete.

Please check your email (and junk folder) for your team registration confirmation and the link to claim your fundraising page

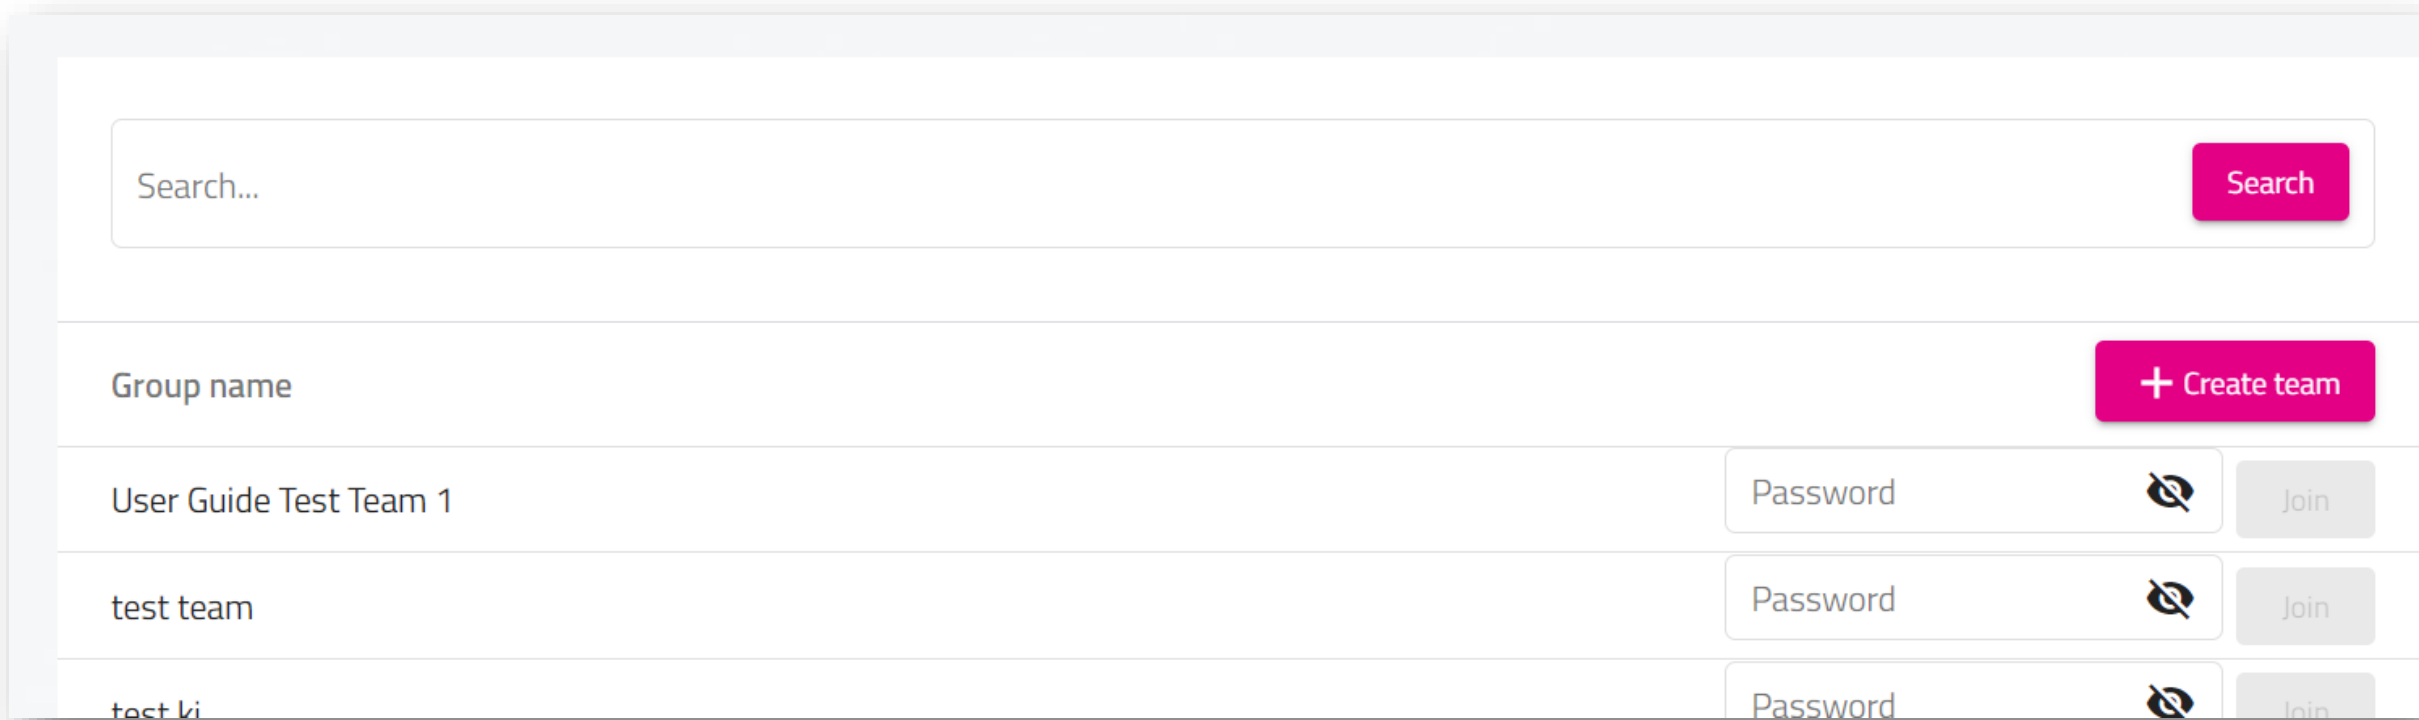

Join a team (as an adult)

Anybody can join a team. All you need is the team name and password to join, which is provided by the Team Captain. They can provide you with a unique registration link to take you to the right place to register too. *Top tip – log into [JustGiving](#) or create an account first.*

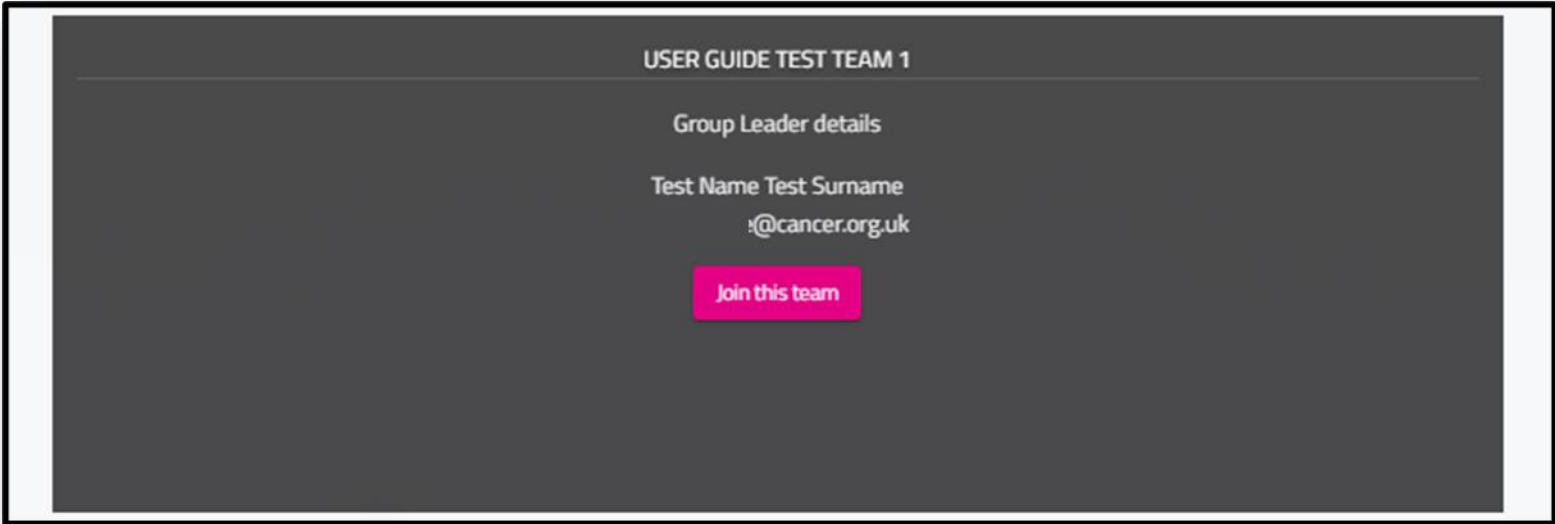

Click on ‘Join A Team’ on the ticket you want: Adult Survivor or Adult. **For these tickets, you must be 18 or above on the date of the event.**

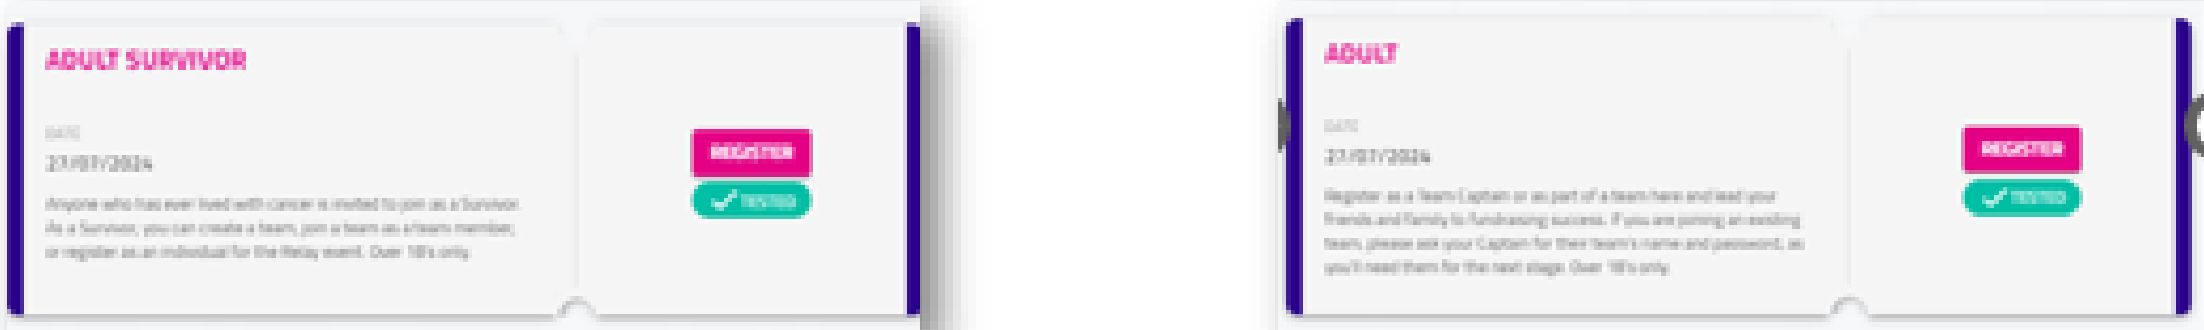

Search for the team you want to join by typing the name in and clicking search, or by scrolling down until you find it. To join, you need to type in the password that the Team Captain should have given you. Then click ‘Join’.

On the dashboard click “Join this team”

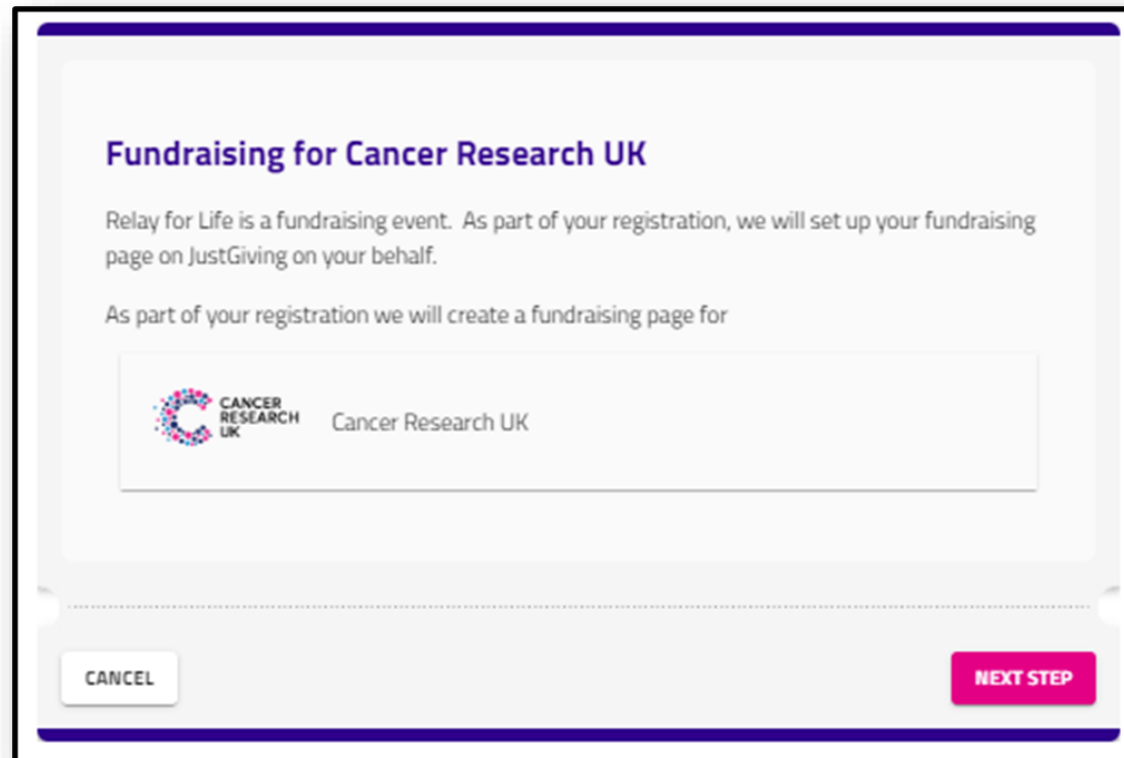

Click “Register” on your chosen ticket type

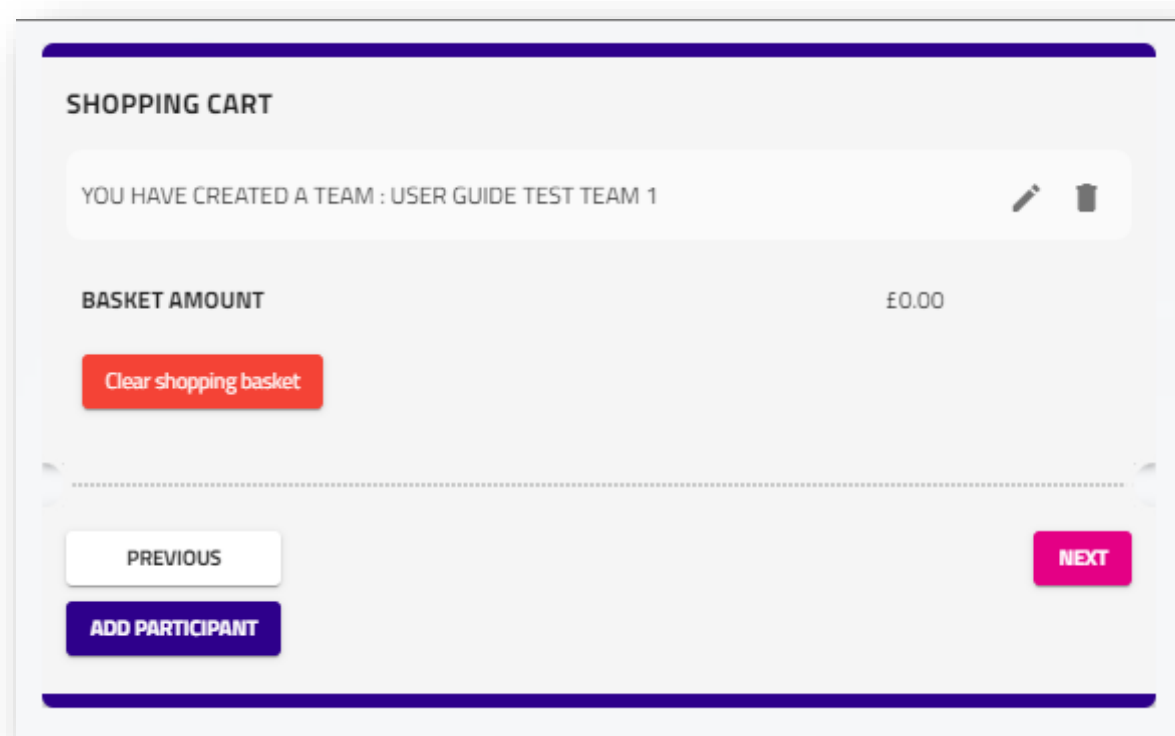

Join a team (as an adult)

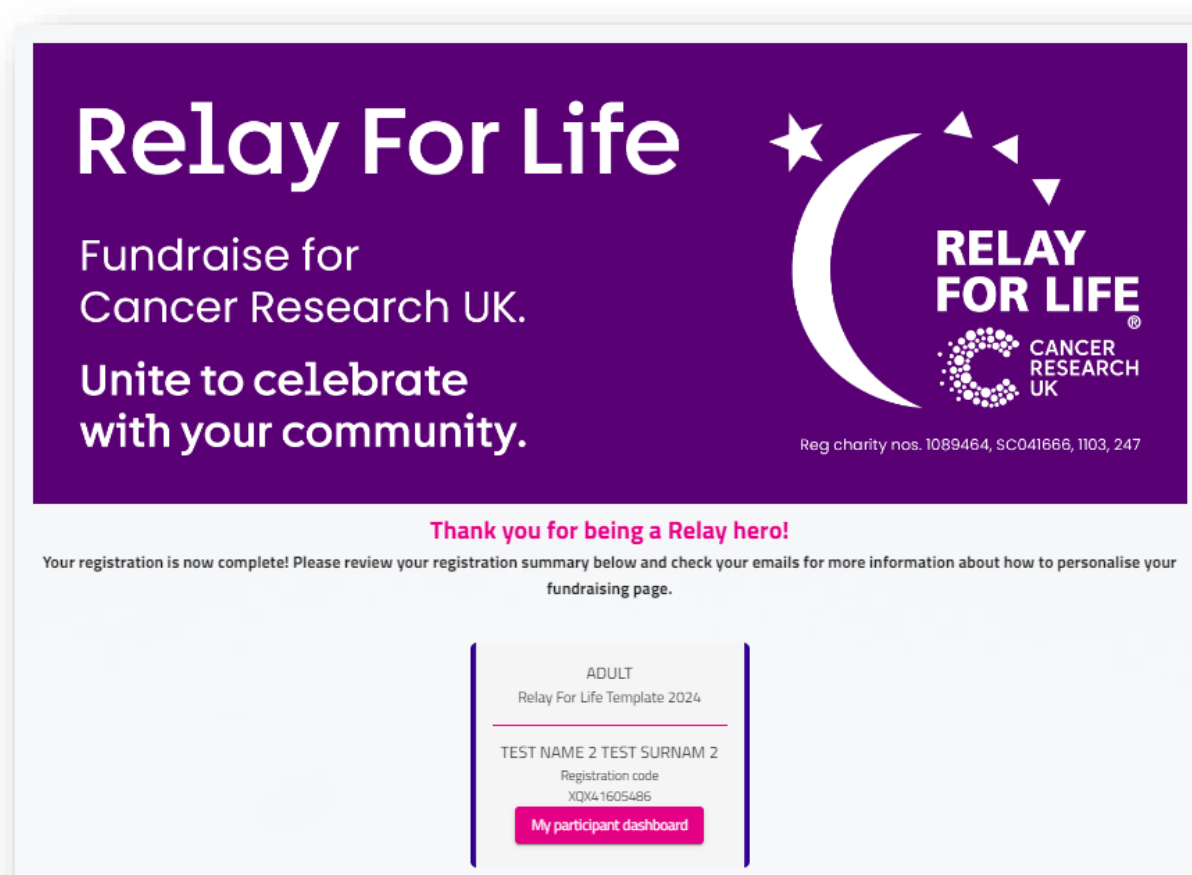

Follow the steps to add your personal details. Once done, a fundraising page will be created on your behalf which you can claim once your registration is complete

You will then be brought to your shopping cart – you can now register someone else by clicking “add participant” or if you are happy click “Next”

You are registered when you see this message

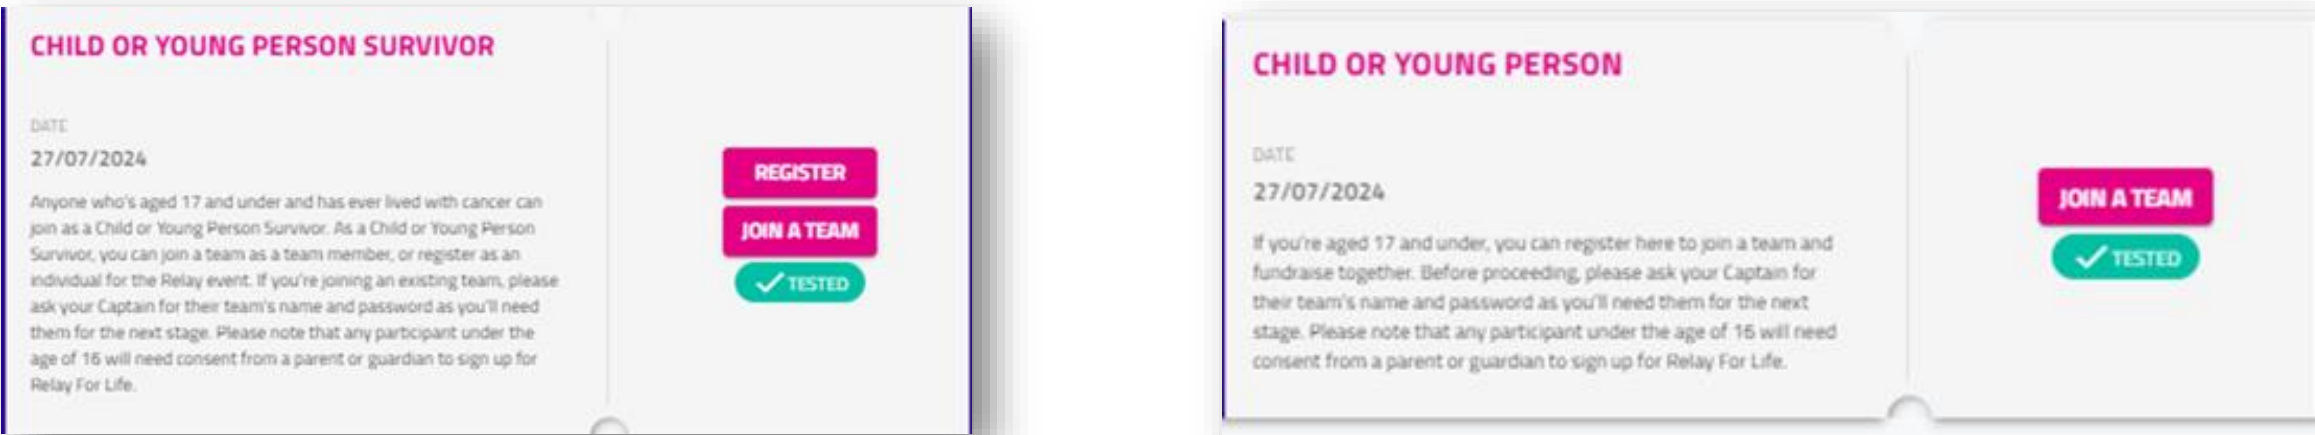

Please check your emails for a link to claim your fundraising page

Join a team (as a child or young person)

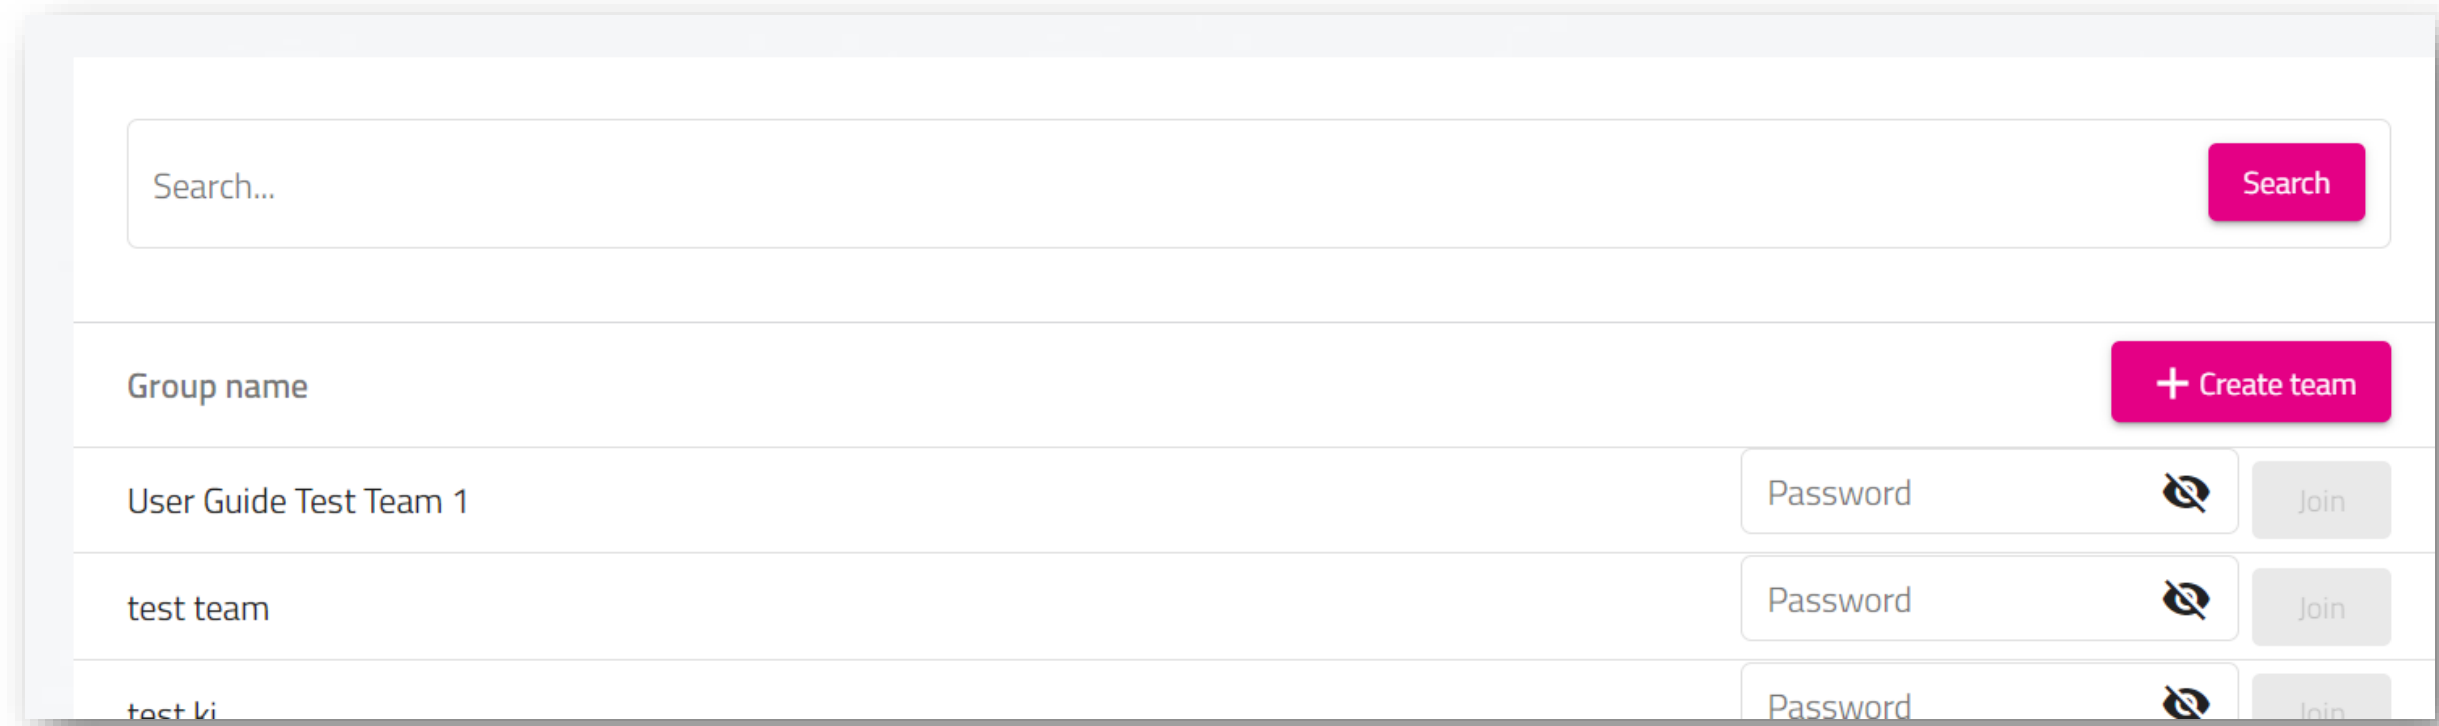

You will need the team name and password to join, which can be provided by the Team Captain. **If you do not have an email address, a parent/guardian can claim the fundraising page via their JustGiving account, but the page will be in the account holders name.**

Click on ‘Join A Team’ on the ticket you want: ‘Child or Young Person Survivor’ or ‘Child or Young Person’. **For these tickets, you must be 17 or under on the date of the event.**

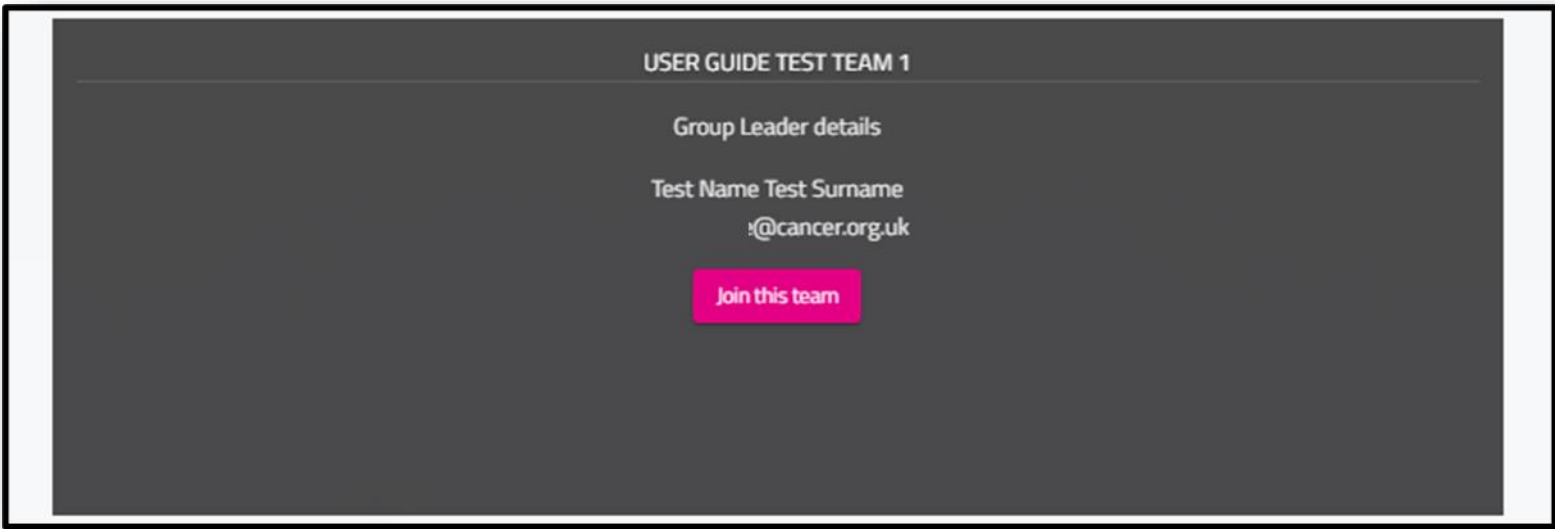

Search for the team you want to join by typing the name in and clicking search, or by scrolling down until you find it.

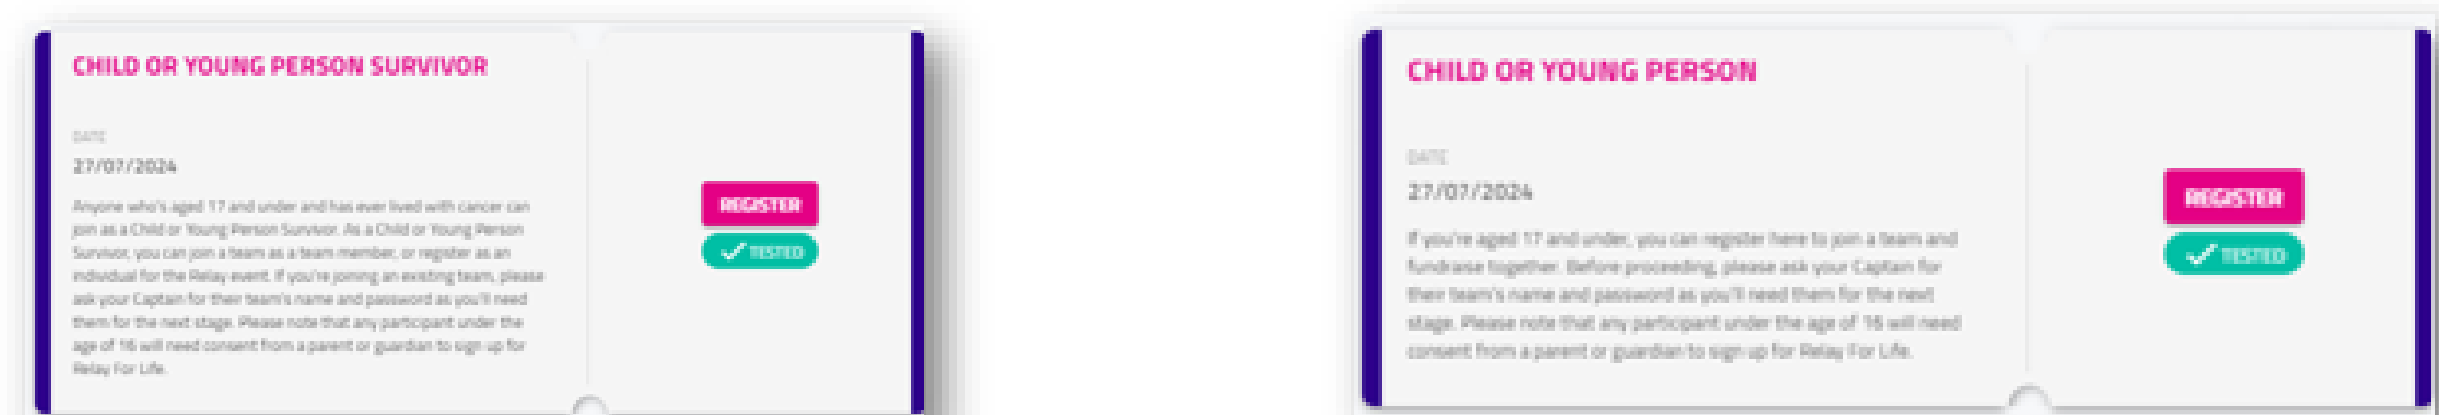

To join, you need to type in the password that the Team Captain should have given you. Then click ‘Join’.

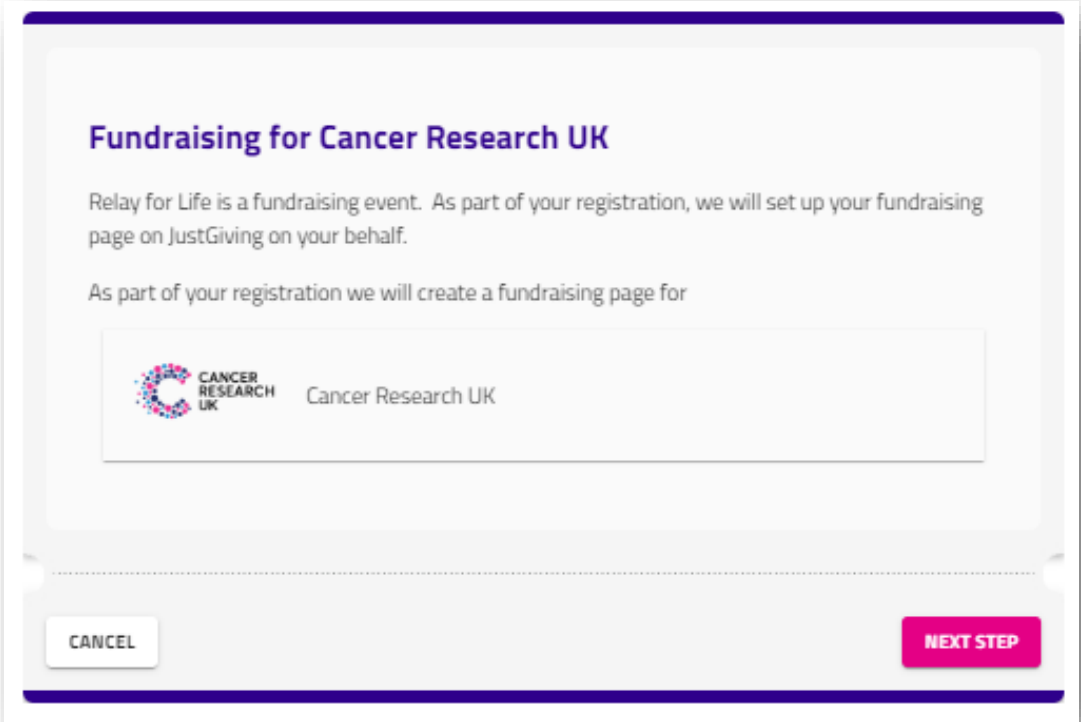

You will be taken to the team dashboard. Scroll down and click on ‘Join This Team’

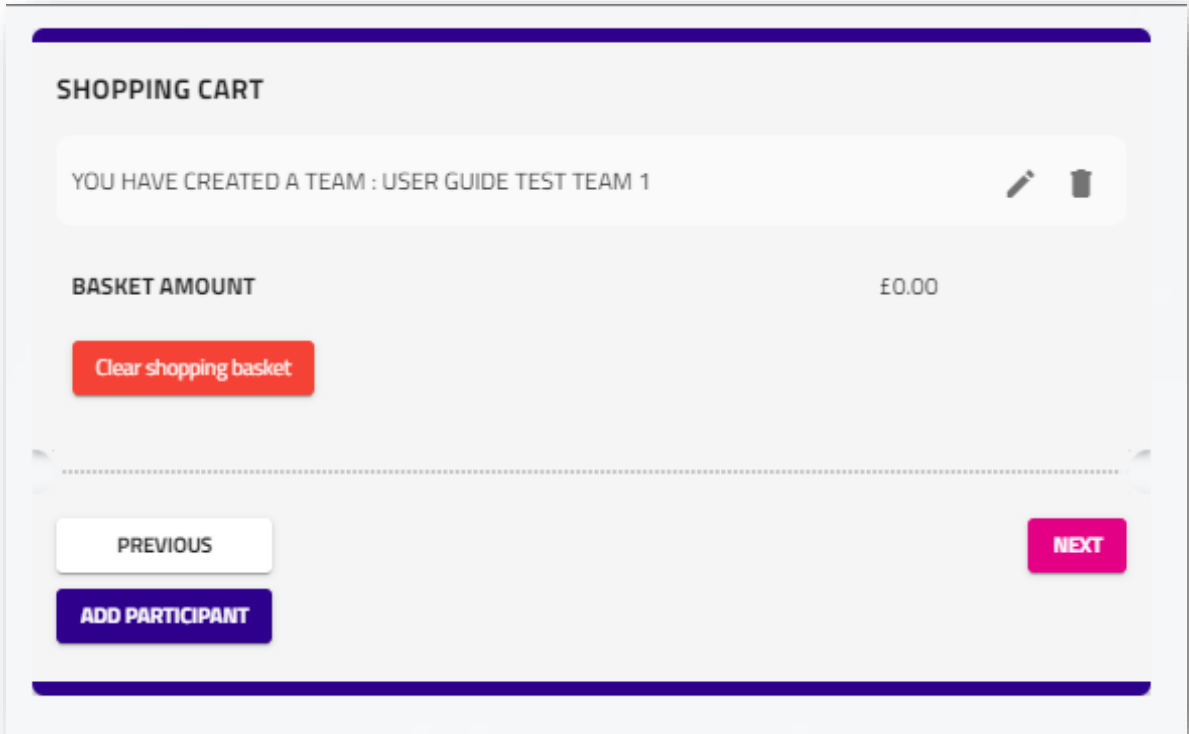

Click “Register” on the chosen ticket type

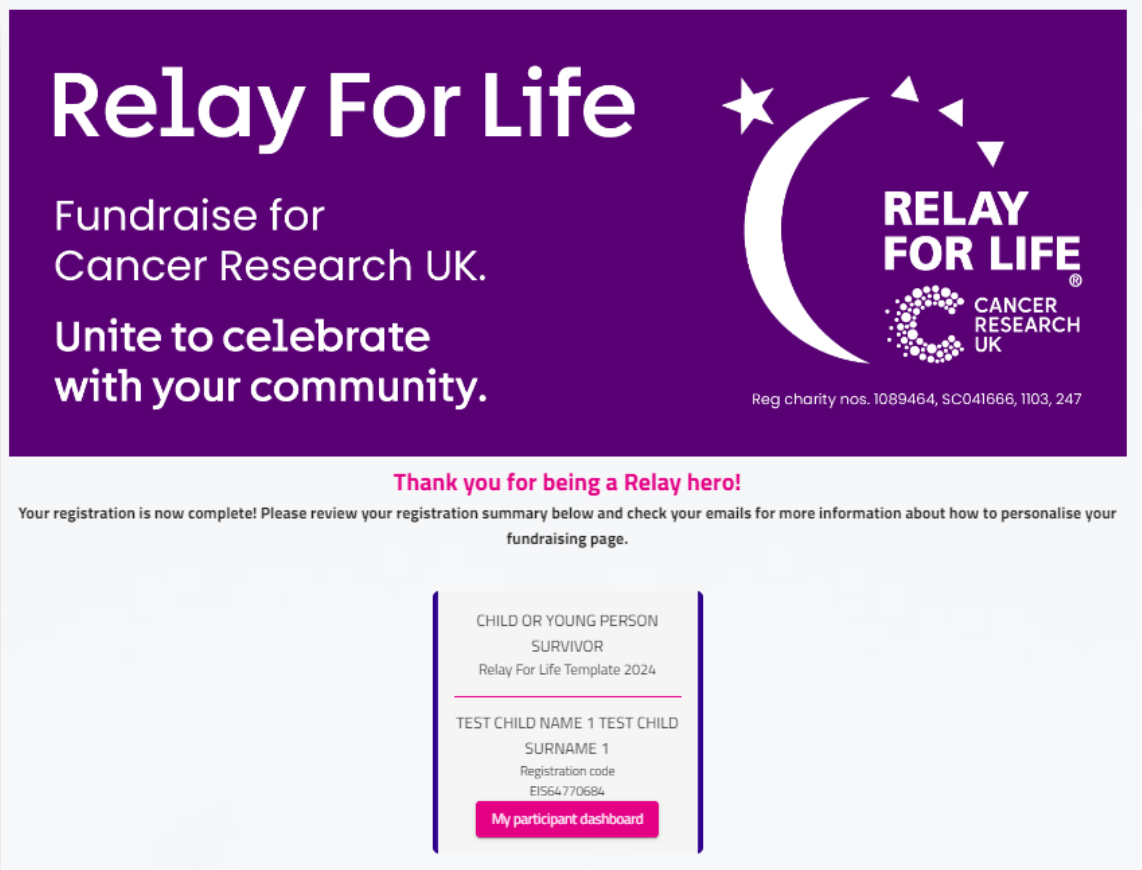

As part of the registration, a JustGiving fundraising page will be generated automatically which can be claimed after registration is complete.

You will be brought to your shopping cart. If you're happy with everything, click 'Next'.

The child /young person is registered when you see this message

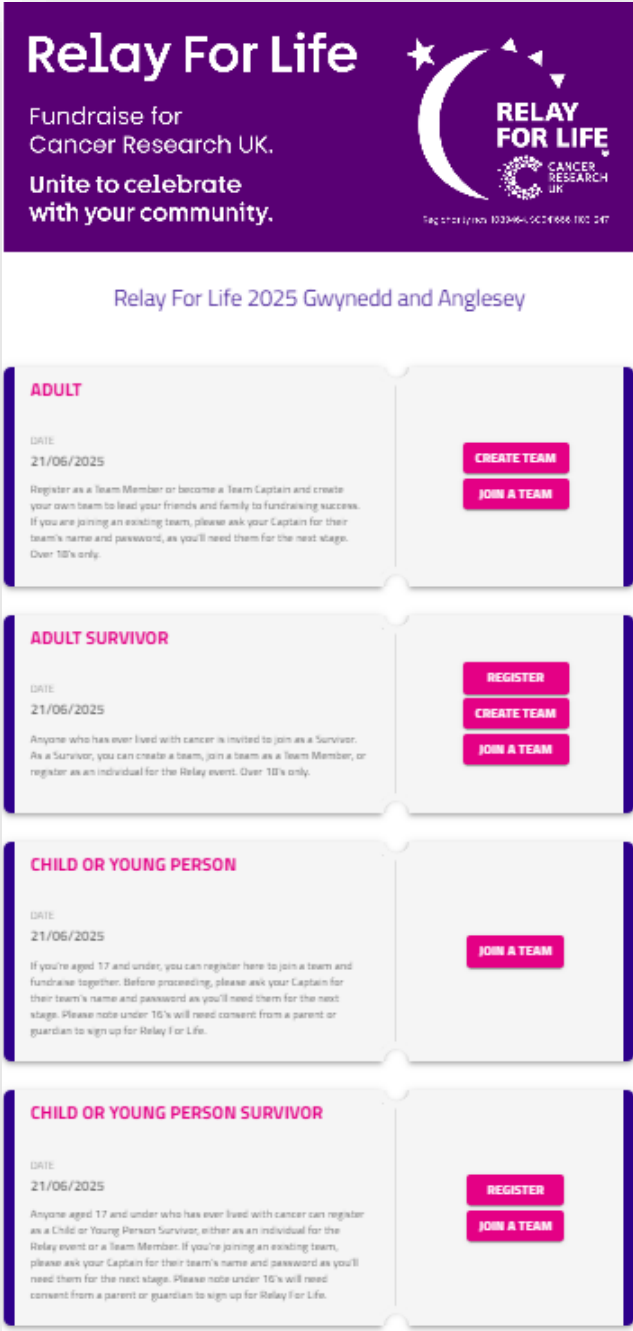

If you signed up on behalf of a child/young person, please check your email for a link to claim the fundraising page. **If the child or young person does not have their own JustGiving account, the fundraising page will be in the name of the person that claims the page from their JustGiving account**

Registering someone else

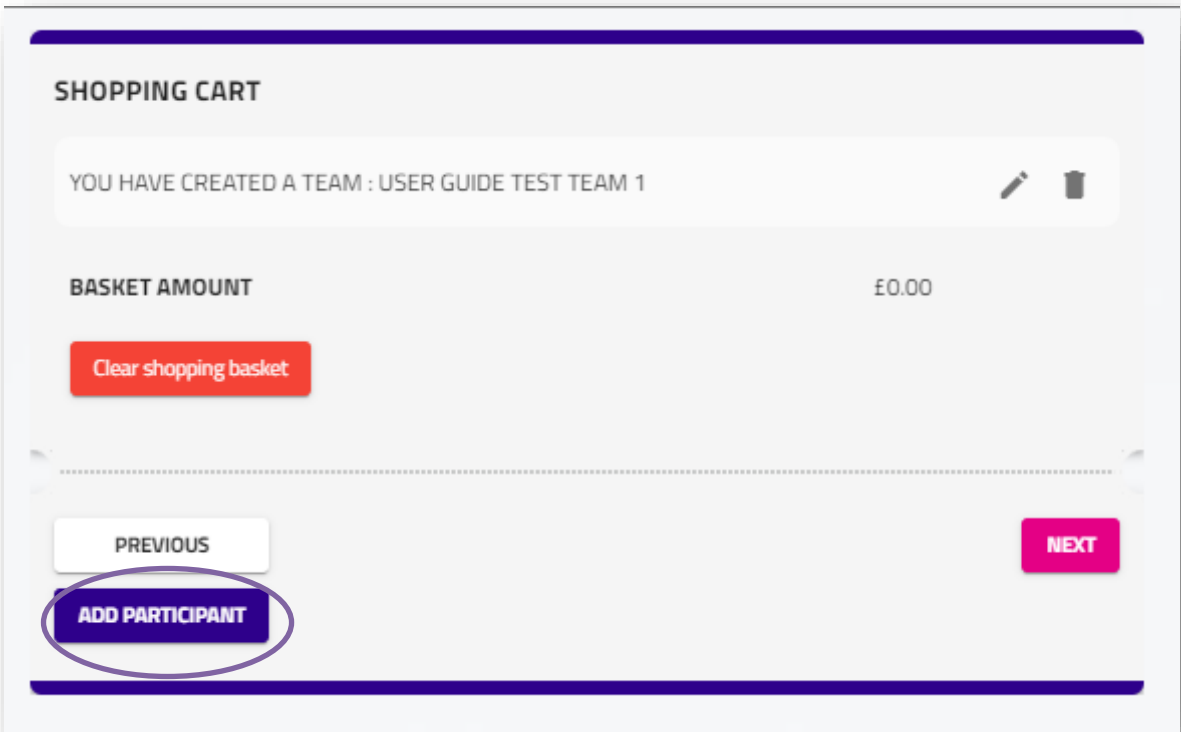

You can register anybody on their behalf, if you have all their personal details and permission. **If the person you are registering does not have a JustGiving account, they will not be able to claim their fundraising page.**

There are two options for registering someone else:

On the registration form from the beginning

Or after you have registered yourself by clicking Add Participant

Once you have chosen the ticket type and whether they will be part of a team, you will be asked to complete their personal details

Select 'No, registration is for someone else'

Offline Donations

An offline donation is any donation you made to CRUK, either via a Relay committee or directly to CRUK itself, which hasn't gone through an online JustGiving page.

Sometimes, teams need to bank donations offline when they are unable to donate their fundraising via their own online fundraising pages.

What can be added as an Offline Donation?

What **can** be added:

- If a team hands the Accounting Chair money from a collection, event or other fundraising activity
- Relay sponsorship money that is not banked via an online page
- Corporate sponsorship that was not donated via an online page but donated directly to a team or the committee

What **cannot** be added:

- Money raised from donation stations.
- Money raised online from sponsorship from another Cancer Research UK fundraising product, e.g. Walk All Over Cancer or 100 Squats a day.

How to add an offline donation – the committee

If the committee wishes to add an offline donation to the Relay's page, they will need to follow the registration process to create a Committee Team (see page 8) . Once a Committee Team has been created, offline donations can be added to the page by following the offline donation process.

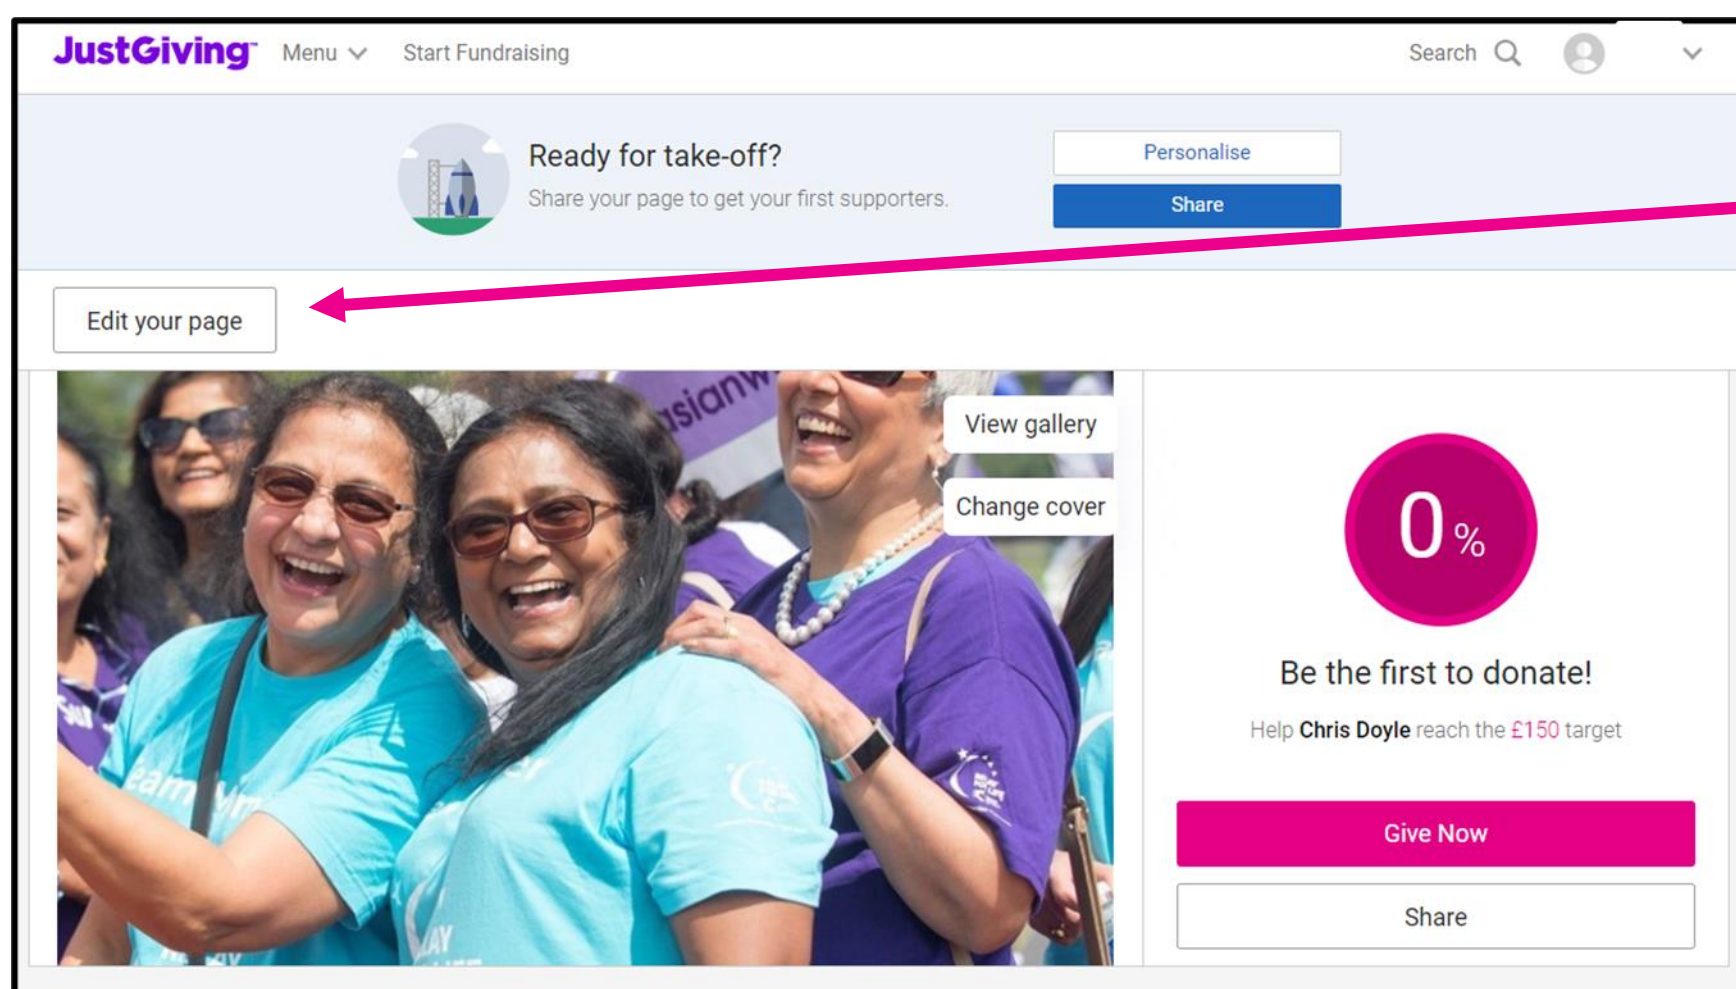

Please note: the committee cannot add offline donations onto participants' pages.

If a person wants to add an offline donation onto their fundraising page, they must follow these steps:

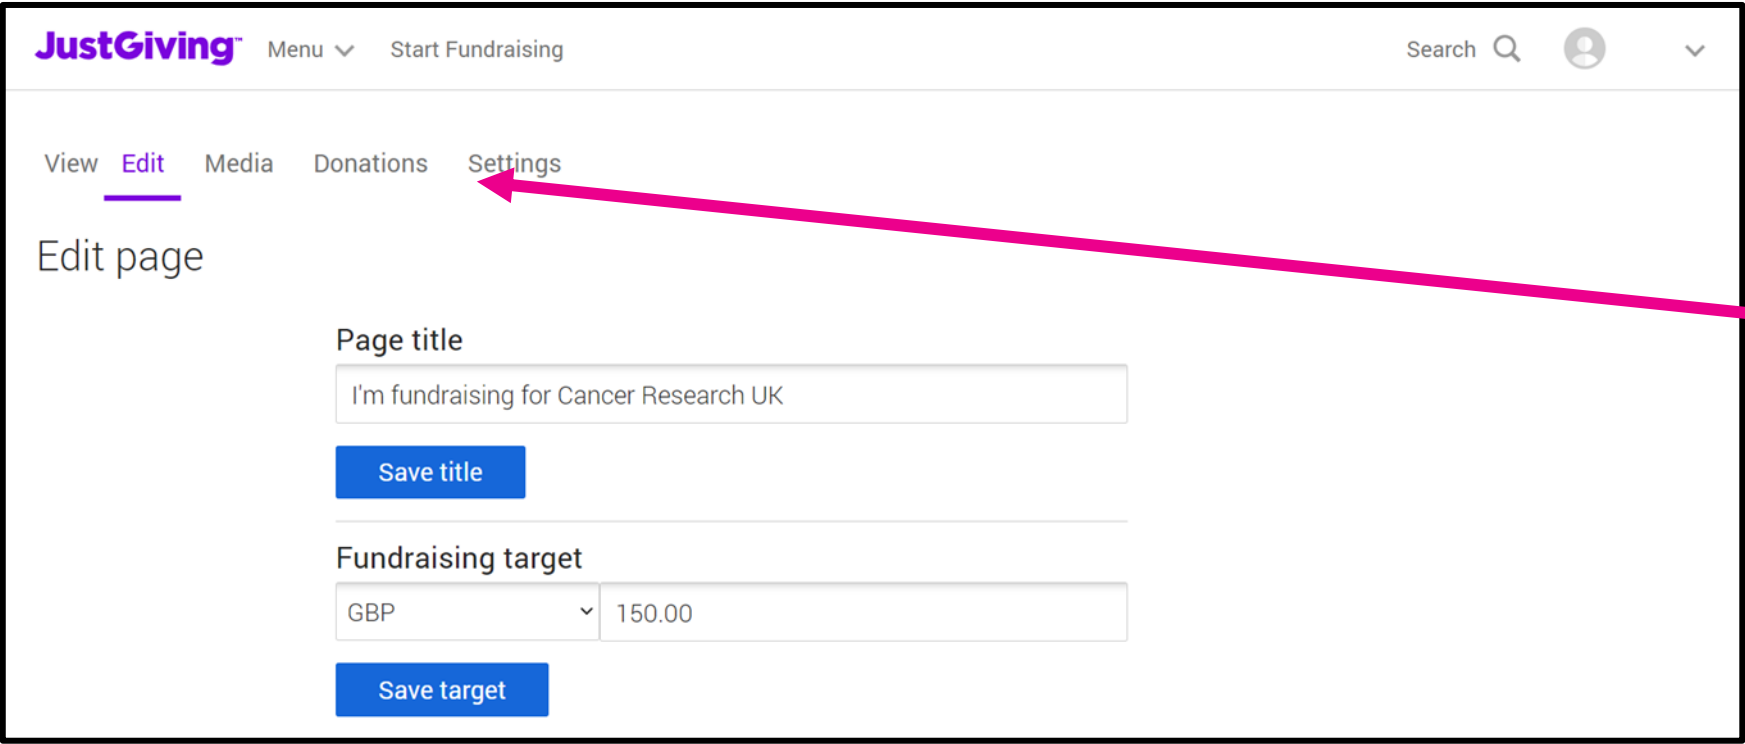

- Contact the Accounting Chair from the Relay Committee **BEFORE** adding any offline donations to the page to arrange a time to hand over the funds. **This is important.**
- Give the Accounting Chair the total donation in cash, or transfer money via BACS to the Relay's bank account, that they want to add as an offline donation.
- Once the Accounting Chair is happy that they have received the donation, they can confirm the offline donation with the person.
- The person can then add the offline donation amount onto their fundraising page by following the below steps.

How to add an offline donation on your page

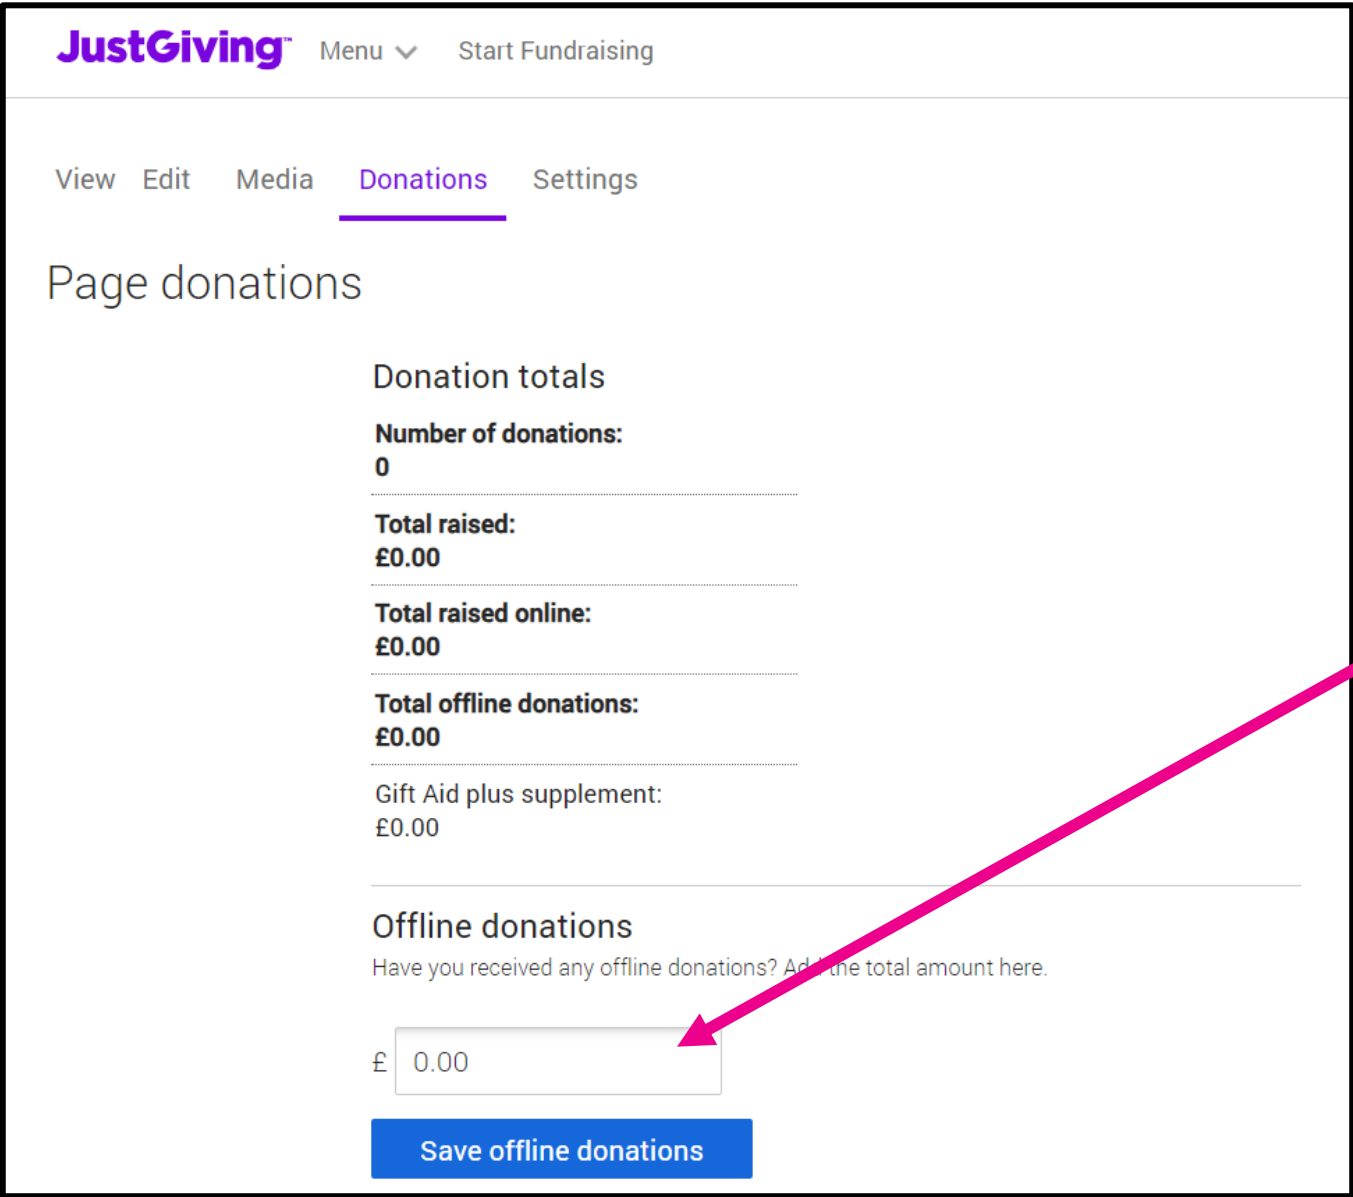

After agreeing that you can submit your offline donation, go to [JustGiving.com](https://www.justgiving.com), log in, then go to your Relay For Life fundraising page.

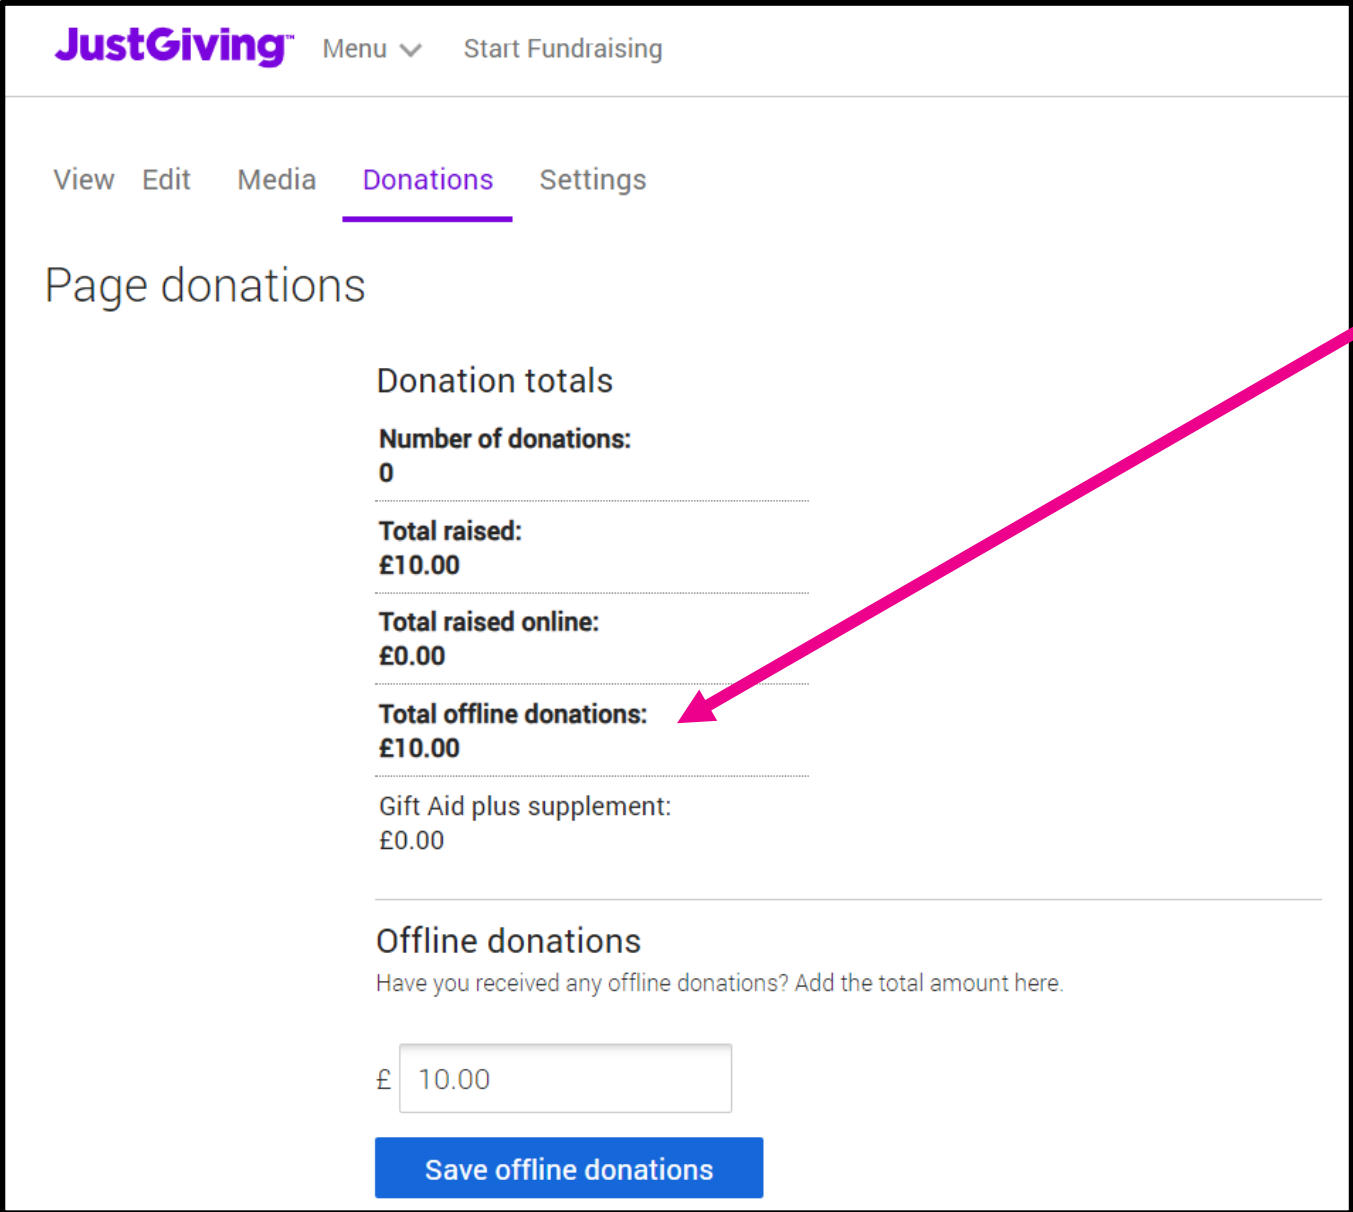

Click the 'Edit your page' button (located above image)

Click the 'Donations' tab at the top.

Halfway down, you will see a section called 'Offline Donations'. Once you have given your money to the Accounting Chair, and they have given approval, you can write the amount in the box. Double check the figure, then click 'Save offline donations'.

Your donation will then show in the 'Donations totals' section.

How to add more offline donations

If you have more offline donations to make, please follow the same procedure of notifying the Accounting Chair.

JustGiving **does not** automatically add the two amounts together so please input the **new total** of both donations.

If you have made a mistake, and inputted the wrong amount for your offline donation, this can be rectified by following the previous instruction and inputting the correct amount. However, please do notify the Accounting Chair **before** actioning.

FAQs

- **I have created two fundraising pages by mistake. What should I do?**

You can delete one of your pages using [these instructions](#).

- **Why is my Relay teams fundraising page showing “Just Giving” in the list of team members instead of a name?**

This means that the person that created the page has not claimed their fundraising page. You can remind them to click the blue ‘Claim my page’ button in their confirmation email to activate their page. The committee has access to the page URL if you don’t have a confirmation email.

- **Can I edit my page after I’ve created it?**

Yes. For further instructions on how to personalise your page, please follow this link to the JustGiving help page:

<https://help.justgiving.com/hc/en-us/articles/9196675252113-Personalising-your-Fundraising-page>

- **Can I edit my team page after I’ve created it?**

Yes, Team Captains can edit the team page they created. For further instructions on how to edit your Team’s page, please follow this link to the JustGiving help page:

<https://help.justgiving.com/hc/en-us/articles/360002604697-How-to-edit-your-team-page->

- **I registered using the wrong ticket. I registered as an Adult instead of a Survivor. Can I change it?**

Unfortunately, we cannot change a registration to a different ticket. You can delete the old page using [these instructions](#) and register again to the correct ticket.

- **I want to register as a Survivor, do I need to join a team?**

No. Somebody registering as a Survivor has three options during registration. Once they select ‘Register as a Survivor’, they can then join the Relay itself as an individual, they can search for and join an existing team, or they can start a new team as a Team Captain.

- **I have forgotten my team password, what do I do?**

Please contact your chair, who can request this via their Cancer Research UK contact.

FAQs

- **Can I use the same email address to sign up multiple people?**

Yes. you can use the same email address to register yourself and others. You will receive the confirmation email for each person you sign up. If you want them to claim their page, you can forward the confirmation email to them and ask them to click the “claim your page” button. If you claim the page from your JustGiving account on their behalf the page will be in your name.

- **I have signed other members up in my team, but all the pages are in my name. How can I change this?**

Unfortunately, if you have claimed a page with your JustGiving account, the page will be in your name. You can update the page title to reflect the name of the person fundraising using these instructions

<https://help.justgiving.com/hc/en-us/articles/9196675252113-Personalising-your-Fundraising-page>

- **I haven't received my confirmation email, what do I do?**

Please check your junk email folder or contact help@justgiving.com to re-send your confirmation email.

- **Someone donated the wrong amount to my page and wants to amend it. What do they do?**

Please contact JustGiving directly to amend any incorrect donations or use their [help section](#) for further support.

- **Someone donated to the Relay page instead of an individual page, can this be changed?**

No, it is not possible to move donations between pages.

- **I've forgotten my JustGiving password**

There is a “forgot my password” link on the [log in page](#). Please use this to reset/recover your password

- **When do registrations close?**

Registrations for Relays close the Thursday before the event date. As Relays usually take place on a Saturday, this allows a day for digital pack fulfilment. However, it is worth noting that for anybody wanting to order a new t-shirt, orders should be made at least 10 days before the date of the Relay Event to allow for delivery.

FAQs

- **Will committees be notified when there are new registrations?**

Yes, a nominated email address will receive a generic email when someone signs to the Relay.

- **Will donations be shown as anonymous?**

No, unless the donor has selected to be anonymous.

- **Can I add offline donations to my page myself?**

Please speak to the Accounting Chair of your relay **before you do anything**. You can add an offline donation to your page, but you need the Accounting Chair's approval first, after you have given them the donation you would like to add. It is important that the amount you added as an offline donation is correct, and that the Accounting Chair is aware of it. Please see page 21 for more information.

- **Will I be able to change an incorrect offline donation that I added?**

Yes, you will be able to amend an incorrectly confirmed offline donation. Please see page 21 for more information.

- **Why can't I add money from Donation Stations to my fundraising page?**

We need to be transparent when we share our totals to the public. Donation station impact is an estimated value and therefore cannot be added to fundraising pages as offline totals or announced as part of the overall fundraising total. To recognise the impact, the estimated value can be shared alongside the total as a separate amount.

- **Will I be getting a T-shirt when I register?**

No. In the spirit of sustainability, we will no longer be sending T-shirts to everyone who registers, but asking people to re-use previous Relay t-shirts, if they have one. If somebody needs a new T-shirt, they will be able to follow a link which will be sent out in the welcome email from Cancer Research UK after registrations. The link will direct them to the online shop where a T-shirt can be purchased for £5 (incl delivery).

For anybody registering as a Survivor, or as a carer, the Survivorship Chair should contact them directly to arrange their T-shirt needs.

- **Will I receive a fundraising pack after registering?**

Yes, you will receive a digital fundraising pack in your welcome email from Cancer Research UK.
