

EARLY DIAGNOSIS RESEARCH CONFERENCE

23 & 24 FEBRUARY 2017
#CRUKedconf

INVESTIGATING, INNOVATING AND IMPLEMENTING

THURSDAY 23RD FEBRUARY 2017

08:15 – 09:15	Registration and refreshments
09:15 – 09:25	WELCOME Sara Hiom, Director of Early Diagnosis & Cancer Intelligence, Cancer Research UK
09:25 – 09:45	Sir Harpal Kumar, CEO, Cancer Research UK Driving Improvements in Early Diagnosis
	CANCER SCREENING CHAIR: Professor Chris Harrison, National Clinical Director for Cancer, NHS England
09:45 – 09:55	Amanda Dibden, Queen Mary University of London Screen detection of ductal carcinoma in situ and subsequent incidence of invasive interval breast cancers: a retrospective population-based study
09:55 – 10:05	Rosie Hinchliffe, Cancer Research UK Increasing participation in bowel cancer screening in Wales
10:05 – 10:15	Roberta Maroni, Queen Mary University of London Are second timed appointments for non-attenders effective in increasing participation to breast cancer screening?
10:15 – 10:25	Dr Christian Von Wagner, University College London Text-message Reminders in Colorectal Cancer Screening (TRICCS): A randomised controlled trial
10:25 – 10:55	Chaired panel discussion with session speakers joined by Professor Robert Steele & Dr Anne Mackie
10:55 – 11:15	KEYNOTE: Professor Patrick Bossuyt, University of Amsterdam The evaluation of new markers for early detection: from accuracy to consequences

11:15 – 11:35	Refreshment break
11:35 – 11:45	PATIENT FACTORS IN TIMELY PRESENTATION & DIAGNOSIS CHAIR: Dr Katriina Whitaker, University of Surrey
11:45 – 11:55	Dr Anjan Dhar, County Durham & Darlington NHS Foundation Trust The clinical and service impact of the national oesophago-gastric cancer awareness campaign: a locality analysis from County Durham
11:55 – 12:05	Dr Rachel Dommett, University of Bristol "Too young to get cancer?" Understanding the challenge of achieving a timely diagnosis for teenagers and young adults (TYA) in the South West of England
12:05 – 12:15	Dr Cristina Renzi, University College London Is help-seeking for cancer alarm symptoms influenced by comorbidities? A population-based survey in England
12:15 – 12:25	Dr Tanimola Martins, University of Exeter Ethnic variations in the use of primary care among men with symptoms suggestive of prostate cancer: a multi-methods study
12:25 – 12:40	Q&A with session speakers
12:40 – 14:00	Lunch and poster viewing
14:00 – 14:20	KEYNOTE: Professor Peter Johnson, Chief Clinician, Cancer Research UK UTILISING LOCAL DATA TO INFORM POLICY
14:20 – 14:30	CHAIR: Professor Aileen Keel, Director, Innovative Healthcare Delivery Programme (IHDP)
14:30 – 14:40	Matthew Barclay, University of Cambridge Missing data and chance variation in public reporting of cancer stage at diagnosis for different organisational geographies in England
14:40 – 14:50	Patrick Muller, London School of Hygiene and Tropical Medicine Evaluating metrics suitable for timely surveillance of variation in early diagnosis by Clinical Commissioning Groups
14:50 – 15:00	Lucy Young, National Cancer Registration and Analysis Service and Transforming Cancer Services Partnership Practice Profiles Plus: a resource for facilitating health professionals' understanding of cancer metrics
15:00 – 15:30	Chaired panel discussion with session speakers joined by Dr Gary Abel & Dr Anthony Brzezicki
15:30 – 15:50	Refreshment break
15:50 – 16:00	PATIENT PERSPECTIVE Tom Haswell
16:00 – 16:20	CLOSING REMARKS Mrs Celia Ingham Clark, Medical Director for Clinical Effectiveness, NHS England
16:20 – 18:20	Poster viewing and evening networking session

FRIDAY 24TH FEBRUARY 2017

08:00 – 08:45	Registration, refreshments and poster viewing
08:45 – 09:00	KEYNOTE: Professor Willie Hamilton, University of Exeter Recent effects of primary care improvement in cancer diagnosis'
09:00 – 09:15	KEYNOTE: Dr Fiona Walter, University of Cambridge The next paradigm in cancer diagnosis: introducing the CanTest Collaborative
09:15 – 09:20	OPTIMISING CLINICAL PRACTICE & SYSTEMS CHAIR: Dr Jodie Moffat, Head of Early Diagnosis, Cancer Research UK
09:20 – 09:30	Dr Gary Abel, University of Exeter Predictors of practice level-variation in use of urgent referrals for suspected cancer and endoscopies in English primary care
09:30 – 09:40	Jeremy Brown, Imperial College London Symptom at presentation and risk of proximal versus distal colorectal cancer
09:40 – 09:50	Tania Seale, Bangor University Diagnostic Journeys in Myeloma (DJiM)
09:50 – 10:00	Dr Andrew Millar, North Middlesex Hospital Accelerate, Coordinate, Evaluate (ACE): Findings of the first Multidisciplinary Diagnostic Centre pilot
10:00 – 10:15	Q&A with session speakers
10:15 – 10:35	Refreshment break
10:35 – 10:55	KEYNOTE: Professor Niek De Wit, University Medical Centre Utrecht Diagnosing colorectal cancer in primary care; <i>can we do better?</i>
10:55 – 11:15	INTERNATIONAL PERSPECTIVES KEYNOTE & CHAIR: Professor Jon Emery, University of Melbourne The Improving Rural Cancer Outcomes Trial? What does it tell us about symptom awareness campaigns and GP educational interventions?
11:15 – 11:25	Professor Peter Vedsted, Aarhus University ICBP: From first symptom to treatment for breast, lung, colorectal and ovarian cancers – an international comparative study
11:25 – 11:35	Professor Sue Ziebland, University of Oxford The Good Citizen with cancer: managing an ambivalence in Sweden, Denmark and the UK
11:35 – 11:45	Dr Henry Jensen, Aarhus University Prognostic consequences of implementing cancer patient pathways in Denmark among symptomatic cancer patients in primary care: a comparative cohort study
11:45 – 12:00	Q&A with session speakers
12:00 – 12:20	KEYNOTE: Dr Georgios Lyratzopoulos, University College London The epidemiology of cancer diagnosis: Current problems, future directions
12:20 – 13:40	Lunch and final poster viewing
13:40 – 13:50	CANCER DATA TO ACHIEVE NEW INSIGHTS IN CANCER CONTROL CHAIR: Dr Jem Rashbass, National Director for Disease Registration, Public Health England

13:50 – 14:00	Nicola Barnstaple, Scottish Government Detect Cancer Early – evidencing an effective approach to reducing health inequalities
14:00 – 14:10	Dr Laura Woods, London School of Hygiene and Tropical Medicine No ‘cure’ within 12 years of diagnosis amongst breast cancer patients who are diagnosed via mammographic screening: women diagnosed in the West Midlands region of England 1989-2011
14:10 – 14:20	Dr Chiara Di Girolamo, London School of Hygiene and Tropical Medicine (late-breaking) The impact on survival of cancer waiting times from referral to first specialist consultation, diagnosis and treatment for selected cancers in England, 2009-2013
14:20 – 14:35	Q&A with session speakers
14:35 – 14:55	KEYNOTE: Dr Anne Mackie, Director of Programmes for the UK National Screening Committee, Public Health England
14:55 – 15:10	Refreshment break
	SPOTLIGHT ON LUNG CANCER
15:10 – 15:20	CHAIR: Dr Mat Callister, Leeds Teaching Hospitals NHS Trust
15:20 – 15:30	Dr Kate Brain, Cardiff University Impact of low dose computed tomography screening on smoking cessation among high risk participants in the UK Lung Cancer Screening trial
15:30 – 15:40	Clare Pearson, ACE programme (Cancer Research UK – Public Health England Partnership) Investigation of variation in optimal pre-diagnostic pathways in lung cancer patients in 2013 & 2014 using cancer registrations and the diagnostic imaging dataset
15:40 – 15:50	Dr Lucy Brindle, University of Southampton Prevalence of potential lung cancer symptoms in community, primary and secondary care populations using a standardised symptoms, risk and comorbidity questionnaire: a prospective study
15:50 – 16:00	Dr Edward Gaynor, NHS Liverpool Clinical Commissioning Group (CCG) Liverpool Healthy Lung Project: a proactive approach to finding undiagnosed early stage lung cancers in neighbourhoods with higher levels of socioeconomic deprivation
16:00 – 16:30	Chaired panel discussion with session speakers joined by Professor David Baldwin & Dr Anne Mackie
16:30 – 16:40	PATIENT PERSPECTIVE Richard Stephens
16:40 – 16:50	POSTER PRIZE CEREMONY Sara Hiom, Director of Early Diagnosis & Cancer Intelligence, Cancer Research UK & Richard Stephens
16:50 – 17:00	CLOSING REMARKS Sara Hiom, Director of Early Diagnosis & Cancer Intelligence, Cancer Research UK
17:00	Conference close
