Title: Your Relay donations are making difference

Hi <first name>,

Firstly, a heartfelt congratulations and thank you! Your commitment to Relay For Life this year has been incredible.

If you've already returned your raised funds, we're hugely grateful. If not, we kindly request that you do so today to help to fund world-leading research and make discoveries possible.

You can submit your funds in two ways:

- JustGiving: This is the easiest and quickest option. Just collect your hard-earned funds and add them to your JustGiving fundraising page.
- Through your committee: Take the funds you've raised to your next team night, and the Relay Committee will send them to Cancer Research UK directly.

If you enjoyed Relay as much as we did, [register your interest](#) and we'll email you when registration opens for Relay For Life 2027. Rally your team and let's make next year another one to remember!

We look forward to seeing you next year!
