Walk 60 miles in June Challenge: Your fundraising guide

Ready, set, walk!

Simple steps to get your challenge moving.

Spread the word

Let everyone know about your challenge and encourage others to join in too.

Plan your month

Think about how you'll cover the 60 miles across June. Whether that's exploring new walking routes or ditching the car whenever possible.

Get fundraising

Use the tips and tools in your pack to start raising money. Our life-saving research is only possible thanks to amazing supporters like you.

Track your miles

Show your supporters your progress by connecting your online Giving Page to Strava. Visit [our website](#) to find out how. If you don't have Strava, you can still post your mile count on your online Giving Page to encourage donations.

Fundraising ideas

We want to make sure you're rewarded for your incredible effort. To kickstart your challenge, we've put together these handy fundraising tips and ideas.

Kickstarters

Set a target

Keep yourself motivated with a fundraising goal. If you set a target on your online Giving Page, you can more than double your sponsorship.

Make the first move

Show potential supporters that you're committed by making a contribution to your own online Giving Page to kick off donations.

Tell your story

Our most successful fundraisers often have really personal online Giving Pages. Kit yours out with the story of why you've decided to take part, regular updates, photos and a thank you to your lovely donors!

At work

Ask your employer

Walking 60 miles across the month will make you feel more energised at work. What's your company prepared to donate to their happier and healthier employee? See if they'll make a donation or match the funds you raise.

Let your colleagues know

Send an email to your work colleagues to let them know you're walking 60 miles in June to help fund life-saving research.

Tip: why not add your online Giving Page link to your email signature?

Promote your fundraising on Facebook

1

Post a photo in your free Cancer Research UK t-shirt

2

Post your online Giving Page link in the comments.
More people will see it this way!

3

Tag three friends who might like to take part with you

Join our Facebook community

Meet other walkers, share top tips and motivate each other through the month by joining our [Walk 60 Miles Challenge Facebook group](#).

Fundraising boosters

Use these ideas to give your fundraising a lift and smash your target.

Film a video

Video yourself out on your walks to let friends and family know you're supporting Cancer Research UK and share across your social media.

Organise a walking tour

Show your friends and family a great new walking route that you've discovered and ask for a donation in return!

Dinner party

Walkers need fuel, so why not host a dinner party fundraiser? It's simple – you cook for your friends in exchange for a donation. Plus, you'll be fuelled for your next big day of walking.

Wrap-up event

'I'll donate when you've done it' – the words no fundraiser wants to hear! Hold doubters to their word with a wrap-up event at the end of your month and lap up those last minute donations.

Use your miles for good

Why not offer to use your miles to help friends and family? You could walk their dogs or collect their shopping in return for a donation.

Walk 60 Miles Challenge Training guide

Adapt the challenge to suit you

People of all fitness levels are taking on this challenge. The important thing is that you're doing something that challenges you. This will vary from person to person, so tailor the challenge however you like. It should be tough, but doable. However you choose to break down the 60 miles, you'll be helping us to power progress.

Ease your way in

Gradually build up your miles throughout the month. Why not find out what pace, distance and time of day works for you before the challenge begins?

Make a plan

Use your challenge calendar to plan where and when you'll be completing your 60 miles, whether that's one big walk a day or lots of shorter walks.

Team up

Walking in a group will inspire you to push harder and go further than you might otherwise do on your own. Whether you cover the miles together or individually, encourage others to join in the challenge too!

Fuel those miles

You'll likely be burning more calories than usual. Make sure you've got enough fuel to clock up those miles by eating a healthy and nutritious diet. For more information, visit cruk.org/diet

Gear up

Make sure you have a comfortable pair of trainers or walking boots. Wearing the wrong type of shoe is the most common cause of injury.

Track every mile

Show off your progress to your supporters by tracking every mile with a tracking app. We recommend Strava as you can link your walks to your online Giving Page.

Keep hydrated

Make sure you drink enough water before and after your walks.

Walk 60 Miles Challenge Calendar

Keep track of your miles
in June 2026

Lace up! Time to start walking.				Going out? Save money and walk home.

Next steps

- Collect your donations from your sponsors and send this sponsorship form, along with a cheque made payable to Cancer Research UK, to CRUK 2RP, PO Box 81666, LONDON, E15 9LJ (please don't send cash).
- Please don't photocopy this form. If you need additional forms please print separately.

Visit cruk.org/walk60miles

Cancer Research UK is a registered charity in England and Wales (1089464), Scotland (SC041666), the Isle of Man (1103) and Jersey (247). Registered address: 2 Redman Place, London, E20 1JQ. © Cancer Research UK 2026.

Take part as a team

Recruit your friends, family or work colleagues to join your challenge by following the four steps below.

1. All your team members will need to sign up to the **Walk 60 Miles Challenge** so they each have their own Cancer Research UK online Giving Page.
2. Once everyone's signed up, log in to your account.
3. Scroll down and hit the 'Create new team' button and follow the instructions.
4. When sharing your team page URL, make sure you're contacting people who know you and want to hear from you.

How are you going to tackle the challenge together?

Use the calendar above to share out your miles across the month. Write every team member's name and their daily mile count.

Why not get competitive and see who can take on the most miles every day? Add the name of the daily top walker and number of miles achieved.

Visit cruk.org/walk60miles

Walk 60 Miles Challenge Sweepstake

Step 1: Get ready

Source a prize for your sweepstake and fill out the details at the top and bottom of the poster on the next page.

Step 2: Get set

Ask your friends, family and colleagues if they'd like to guess how many hours it will take you to complete your 60 miles in return for a suggested donation. Then, get them to fill out their guess and name in a box.

Step 3: Go!

Announce the winner on the date you've mentioned on your poster.

Step 4: Don't forget

Return your donations in the form of a cheque (payable to Cancer Research UK) or postal order to: Walk 60 Miles Challenge, CRUK 2RP, PO Box 81666, LONDON, E15 9LJ.

Remember to include your name and address so we can add it to your fundraising total. If you'd prefer to collect your donations digitally, please share your online Giving Page with sweepstake participants.

Information

**CANCER
RESEARCH
UK**

**Together we are
beating cancer**

Cancer Research UK is a registered charity in England and Wales (1089464), Scotland (SC041666), the Isle of Man (1103) and Jersey (247).

Thank you for powering progress

Over the past 50 years,
our work has helped double
cancer survival in the UK.

We're the world's leading cancer charity, dedicated to saving and improving lives with our research. Our vision is a world where everybody lives longer, better lives, free from the fear of cancer. And, backed by your support, step by step, our researchers are making this vision a reality.

The difference your money makes

£65
could buy special
restriction enzymes

These act like molecular scissors to cut up the long strands of DNA in our cells, helping us to learn about more than 200 types of cancer.

£170
could fund one day of
the ABC-07 clinical trial

This is testing innovative radiotherapy techniques for treating people with rare bile duct cancer.

£200
could fund our team of nine
cancer nurses for one hour

Our expert team of cancer information nurses are on hand to offer confidential support and guidance to people affected by cancer.

*Estimated based on Cancer Research UK analysis of England data
**cruk.org/millionlives

Visit cruk.org/walk60miles

8 in 10

people who receive cancer drugs in the UK receive a drug developed by or with us.*

1 million

Thanks to progress in cancer prevention, diagnosis and treatment, over **a million lives have been saved** from the disease in the UK since the mid-1980s.**

90%

Our research led to the development of the HPV vaccine, which is expected to **prevent up to 90% of cervical cancer cases** in the UK.

Together we are
beating cancer
