

Fundraising tips

We want to make sure you're rewarded for your incredible effort. To kickstart your challenge, we've put together these handy fundraising tips and ideas.

Kickstarters

Make the first move

Show potential supporters that you're committed by making a contribution to your own online Giving Page to kick off donations.

Tell your story

Our most successful fundraisers often have really personal online Giving Pages. Kit yours out with the story of why you've decided to take part, regular updates, photos and a thank you to your lovely donors!

At work

Ask your employer

Walking 100 miles across the month will make you feel more energised at work. What's your company prepared to donate to their happier and healthier employee? See if they'll make a donation or match the funds you raise.

Let your colleagues know

Send an email to your work colleagues to let them know you're walking 100 miles in November to help fund life-saving research.

Tip: why not add your online Giving Page link to your email signature?
