YOU WILL NEED

- 100g balls of Paintbox Yarns Simply Chunky · 5 [5 : 6 : 6 : 7 : 7] × MC - Champagne White
- Pair of 5mm (UK 6 - US 8) knitting needles
- Pair of 6mm (UK 4 - US 10) knitting needles
- Motif**
- 1 × each shade shown in the key

TENSION (GAUGE)

14 stitches and 20 rows to 10 cm (4 in) measured over stocking stitch (*stockinette stitch*) using 6mm (UK 4 - US 10) needles, or size required to give correct tension (*gauge*).

It is vitally important to check your tension (*gauge*) before starting as working to the wrong tension (*gauge*) will mean your garment will not be the size shown and could result in yarn being left over, or more yarn being required. Before beginning, knit a tension (*gauge*) swatch at least 13 cm, 5 in, square and measure your tension (*gauge*). If there are more stitches and rows than stated, try again using thicker needles. If there are fewer stitches and rows than stated, try again using thinner needles.

GOOD TO KNOW

- Paintbox Yarns cannot accept responsibility for the finished item if any yarn other than the recommended yarn is used.
- Yarn quantities are based on average requirements and are therefore approximate.
- Color reproduction is as close as color accuracy on screens.
- Instructions are written using UK terminology with changes for US terminology given in *italics* in round brackets () afterwards.
- Repeat figures in round brackets () the number of times stated afterwards.
- Instructions are given for the smallest size, with changes for the larger sizes given in square brackets [] afterwards.
- Instructions between [square brackets] should be worked the number of times indicated.
