

# Thinking of leaving a gift to Cancer Research UK?

A third of the money we raise to beat cancer is from gifts in Wills.

The most common types of gifts are:

## Percentage share

A percentage share of your estate. This type of gift is the most valuable because it's inflation-proof.

## Lump sum

A fixed amount that can lose its value over time as costs increase.

## Specific gift

A particular item, such as a car, jewellery or property.
