

Supplier list - Tier 2

This list includes suppliers of fabrics, yarn and insulation used in Reima SS26, EA26 and AW26 clothing and accessories collections.  
The list also includes suppliers of most trimmings, e.g., zippers and snap buttons, used in those collections.

| Supplier name                                         | Facility name                                    | Address                                                                                                            | Country    | Material type |
