

 DOORDASH for Business

Expensed Meals for Your Team

Set a food ordering budget for employees to expense meals anytime, anywhere they work.

From desk lunches to late-night snacks, we've got you covered.

500,000+ merchants

Get access to our industry-leading merchant selection of local favorites and national chains.

Go the extra mile

Show your team you care by giving them a monthly food ordering stipend they can use anytime, anywhere.

Set it and forget it

Enroll your employees in an expensed meals benefit program and set automatic recurring budgets.

Easy to set up, easy to use

Use the Admin Portal to set parameters, then employee meals are automatically expensed to the company account.

Boost productivity and morale

Attract and retain top talent with a meal benefit they'll love, whether they're working from home or in the office.

Here's how it works:

1

Designate eligible employees, ordering hours, and spending limits per employee or role.

2

Employees log in to DoorDash with their work email and start placing orders.

3

Orders are automatically billed to the company account — no expense reports needed.
