

Exceptional commercial coverage for specialty automotive businesses

Protecting vehicles for what they're actually worth

A policy with Hagerty pays out true market value at time of loss, and we rely on our vehicle and valuation expertise to determine accurate, up-to-date values. A policy with us also provides reassurance to your clients should they be liable for any damages.

You won't need to call every time a car comes or goes

When vehicles are always changing, it's hard to keep track of what you've added to an insurance policy. A one-limit blanket policy with Hagerty means you won't need to call in and cover each car individually.

There's no per-car value limit

If an especially valuable car is added, no need to worry if it's protected for its true value. With a blanket policy, there's no vehicle-cap per limit.

Before you proceed ...

Our team will shift into gear and begin processing your completed application asap, but first we need you to review these important qualifications for coverage.

Key Underwriting/Qualifying Factors (including but not limited to):

- Building is equipped with central station burglar and fire alarm
- All autos are stored inside at night
- Paint booth equipped with fire suppression system inside the booth
- Business is not home-based (separate address and entrance from any residence)
- No loaner or rental vehicles provided to customers

All good? Please fill out the online application form. If you have any questions we're happy to help.
