### **Holder of Right of Interment**

The holder is the person or person to whom the ROI is granted and who is authorised to make decisions related to the ROI.

### **Cemetery to allocate**

In some areas the right of interment is allocated next in row by the cemetery trust. In this case, individual selection of row or plot is not available.

### **Pre-need**

The pre-purchasing of a right of interment or a service in advance of actual need (death).

### **At-need**

The purchasing of a right of interment or a service at the time of actual need (death).

### **Position**

A position is a space within a grave. There may be more than one position within a grave, allowing for more than one loved one to be interred in the same grave.

### **Memorial**

Monument, tombstone, grave marker or headstone identifying a grave or graves. Can also refer to a nameplate, name bar or inscription identifying a crypt or niche.
