KEY TERMINOLOGY

Interment

The burial or entombment of human remains or of cremated human remains.

Right of Interment (ROI)

A right of interment is a legal entitlement to inter human remains or cremated human remains in a particular grave or cremation memorial.

Holder of Right of Interment

The holder is the person or person to whom the ROI is granted and who is authorised to make decisions related to the ROI.

Cemetery to allocate

In some areas the right of interment is allocated next in row by the cemetery trust. In this case, individual selection of row or plot is not available.

Tenure

The length of time (in years) that a right of interment has been granted for. Rights of interment for the interment of human remains are perpetual. Rights of interment for the interment of cremated human remains may be either perpetual or limited to 25 years.

Pre-need

The pre-purchasing of a right of interment or a service in advance of actual need (death).

At-need

The purchasing of a right of interment or a service at the time of actual need (death).

Position

A position is a space within a grave. There may be more than one position within a grave, allowing for more than one loved one to be interred in the same grave.

Memorial

Monument, tombstone, grave marker or headstone identifying a grave or graves. Can also refer to a nameplate, name bar or inscription identifying a crypt or niche.
